# President’s Welcome

## President’s Welcome

I’m delighted to extend a very warm welcome to our neighbours from England, Northern Ireland, Scotland and Wales to the 37th edition of the prestigious British and Irish Masters Cross-country International Championships.

It is the Irish Master Athletes Association’s (“IMAA”) pleasure to take our turn once more in hosting this fantastic annual event. I would like to extend a particular “Céad mile fáilte” (“100,000 thousand welcomes”) to those athletes who have been selected for the very first time to represent their Nation. I’m sure it will be of particular pride to wear your National singlet. As organisers, we are conscious of the endeavours, expense and time you have set aside to arrive at these Championships and we have made every effort to ensure that this is an event that is worthy of your attendance. As President of the IMAA, I would like to express our sincere gratitude to Brid Golden and Athletics Ireland, our parent federation, for their support, so freely given. Also to Irish Life Dublin Marathon, Fingal County Council, Adam Jones & Crowne Plaza Hotel who have all provided invaluable assistance. I would like to personally thank Mick Fennell, George Maybury, Pat O'Grady and all members of the IMAA Committee, who have provided support over the past few months as we went about preparations for these Championships. Also to Clonliffe Harriers and a number of other local Athletic Clubs who are providing many of the Officials & Volunteers on the course. We deeply appreciate your support in providing your time in the preparation, running & break down of this Championships. It is due to their commitment of giving their time so freely that we are able to stage such a large event. I would also like to thank our families who gave us the freedom to concentrate on the preparations for this weekend. Finally, I hope that all Athletes, Team Managers and their travelling companions have an enjoyable visit to Dublin. We look forward to an exciting race programme and hopefully get to meet as many of you as possible at our post-race gala banquet. Thereafter, I wish you a safe return home, with renewed friendships and lasting memories from Abbotstown 2026.

PS · don·t forget to put Galway 2028 into your diaries when we will host the European Masters Athletics Championships · Non-Stadia (see galway2028.ie).

# Welcome from the President of Athletics Ireland

On behalf of Athletics Ireland, it is my great pleasure to extend a warm welcome to all the athletes and team managers from the competing nations joining us for the British & Irish Masters Cross Country Championships at Abbottstown on Saturday, November 14th 2026.

I hope you all enjoy an international cross country experience filled with exciting races, high-level performances, and the enduring spirit of friendship that is always so evident at masters cross country races.

Welcome also to the dedicated coaches and the families who support the athletes every step of the way. Welcome to the invited guests and all stakeholders who contribute to the ongoing success of our sport. I hope you all enjoy what promises to be a most exciting day of competition.

This international event would not be possible without the tireless efforts of many individuals and teams working behind the scenes. My sincere thanks go to the Irish Masters Committee, led by President Ronan Gately and Secretary Lucy MooreFox as well as all the event officials and the dedicated team who prepared the course for this event.

Thank you all for your passion and commitment to athletics. I wish everyone a fantastic and memorable day of competition and an enjoyable evening of celebration afterwards.

**Brid Golden**
President, Athletics Ireland

# Mayor of Fingal Welcome

It is my immense pleasure to welcome all participants to the **37th** British and Irish Masters Cross Country Championships being held here in Fingal.

We are excited to be able to welcome these championships following the spectacular success of the 2021 European Cross-Country Championships which were also held in the Sports Campus Ireland in Abbotstown, a specially designed course for such events.

Our objective as the local authority for the Fingal area is to ensure we can provide top class sporting facilities and that we can contribute positively to attracting high class events like this to our locality. In doing that, we want to remove barriers that can often prohibit access to participation in sport and physical activity for many in society, from pre-school right through to active retirement. All these important competitions fit in very well with the widespread benefit of and love of sport across the nation. I am confident that the Irish Masters Athletics Association and the people of Fingal will make your time with us a very welcome and hospitable one and afford any assistance you might need.

We hope you leave Fingal with incredibly positive memories, have a series of great races, renew old relationships, and strike up additional friendships.

**Cllr. Tony Murphy**

Mayor of Fingal
