Secretary's Message

Dear Friends, Partners, Supporters, and Well-Wishers,

*It is my privilege to present the **Annual Report of Shree Amar Sanskar Kalyan Kendra (SANSKAR)** for the financial year **2025–26**. This report reflects our collective efforts to improve the lives of vulnerable communities across Jharkhand through programmes that promote health, sustainable livelihoods, social welfare, and community empowerment.*

For more than four decades, SANSKAR has remained committed to the belief that lasting development begins with people. Guided by this vision, we have continued to work alongside communities, government departments, and development partners to create opportunities, strengthen local institutions, and support those who need it most.

*During the year, we achieved encouraging progress across our major programmes. Through our **Targeted Intervention Programmes** supported by the **Jharkhand State AIDS Control Society (JSACS)**, we expanded access to HIV prevention, counselling, testing, and treatment services for high-risk groups and migrant workers. Our **Krishak Pathshala** continued to promote climate-resilient and integrated farming practices, equipping farmers with practical knowledge and modern technologies to improve productivity and livelihoods. With the support of the **Adani Foundation**, we strengthened rural livelihoods through farmer capacity building, livestock health services, and agricultural support. At the same time, our **Residential Care Programme for Senior Citizens** continued to provide a safe, dignified, and caring environment for elderly residents.*

These achievements would not have been possible without the trust and support of our beneficiaries, government departments, donors, community institutions, volunteers, and dedicated staff. Their partnership has enabled us to reach thousands of individuals and reinforce our commitment to inclusive and sustainable development.

While we celebrate the progress made during the year, we also recognize that many social and developmental challenges remain. Looking ahead, SANSKAR will continue to strengthen its programmes, foster innovation, build strategic partnerships, and empower communities to become active participants in their own development.

On behalf of the Governing Board, I extend my sincere gratitude to everyone who has walked with us on this journey. Your continued confidence and collaboration inspire us to work with greater commitment and purpose.

I invite you to explore this report and witness the collective impact of our efforts towards building healthier, stronger, and more resilient communities.

With warm regards,

Ravish Kumar
Secretary
Shree Amar Sanskar Kalyan Kendra (SANSKAR)

Highlights of FY 2025–26

Driving Inclusive Development Across Jharkhand

During the financial year 2025–26, Shree Amar Sanskar Kalyan Kendra (SANSKAR) continued its commitment to improving the lives of vulnerable communities through integrated programmes in public health, HIV prevention, sustainable agriculture, rural livelihoods, senior citizen care, and community development. Working in collaboration with government departments, corporate partners, and local communities, the organization expanded its reach and strengthened the impact of its interventions across Jharkhand.

FY 2025–26 at a Glance

Key Indicator	Achievement
Major Programmes Implemented	**6**
Government & CSR Partners	**4**
Districts Covered	**4**
Farmers Trained	**500+**
Livestock Treated & Vaccinated	**600**
Migrant Workers Reached	**10,412**
Active IDUs Reached	**740**
Active FSWs Reached	**910**
Community-Based HIV Screenings	**4,626**
HIV Tests Conducted	**1,900+**
Needles Distributed	**201,184**
Syringes Distributed	**214,765**
Condoms Distributed	**235,988**
Senior Citizens Provided Residential Care	**25**
Eye Screening Beneficiaries	**69**
Blood Units Collected	**35**

Programme Highlights

Public Health & HIV Prevention

- Reached 12,000+ high-risk and migrant beneficiaries through HIV prevention programmes.
- Strengthened counselling, HIV testing, harm reduction, and treatment services.
- Achieved 100% ART linkage for all identified HIV-positive beneficiaries.
- Conducted 4,626 community-based HIV screenings.

Sustainable Agriculture & Rural Livelihoods

- Trained **500+ farmers** in integrated and climate-resilient agriculture.
- Promoted modern farming practices, including drip irrigation, solar irrigation, livestock, fisheries, and beekeeping.
- Supported **60 farmers** with quality seeds and provided veterinary care to **600 livestock** through the Adani Foundation-supported programme.

Senior Citizen Care

- Provided residential care, healthcare, nutrition, and emotional support to **25 senior citizens**.

Community Development

- Conducted awareness and capacity-building programmes on child protection, women's empowerment, eye health, substance abuse prevention, forest rights, and youth skill development.

Key Partners

- **Jharkhand State AIDS Control Society (JSACS)**
- **Department of Agriculture & Animal Husbandry, Government of Jharkhand**
- **Social Welfare Department, Government of Jharkhand**
- **Adani Foundation**

Looking Ahead

SANSKAR will continue to strengthen public health, sustainable agriculture, rural livelihoods, social welfare, and community-led development through innovation, strategic partnerships, and active community participation.

About SANSKAR

Shree Amar Sanskar Kalyan Kendra (SANSKAR) is a non-governmental, non-profit and voluntary organization dedicated to improving the lives of marginalized and disadvantaged communities in Jharkhand. Established in 1980 and formally registered under the Societies Registration Act in 1982, SANSKAR was founded by a group of committed social workers and professionals who recognized the need to empower vulnerable communities through awareness, education, capacity building, and sustainable development. Over the past four decades, the organization has evolved into a trusted development institution, implementing impactful programmes in collaboration with government departments, corporate partners, and development agencies.

SANSKAR believes that sustainable development is achieved when communities are empowered to participate in decisions affecting their lives and are equipped with the knowledge, skills, and opportunities to improve their social and economic well-being. Guided by the principles of equity, inclusion, participation, transparency, and human dignity, the organization adopts a community-centred approach that places people at the heart of every intervention.

Over the years, SANSKAR has expanded its work across diverse sectors including public health, HIV/AIDS prevention, sustainable agriculture, rural livelihoods, women and child development, senior citizen care, skill development, water, sanitation and hygiene (WASH), environmental conservation, disaster response, and community institution strengthening. By integrating awareness generation, capacity building, technical support, and convergence with government programmes, the organization has consistently promoted long-term, sustainable development outcomes.

The organization works in partnership with government institutions, local self-governments, community-based organizations, Self-Help Groups (SHGs), youth groups, and other stakeholders to ensure that development initiatives are participatory, inclusive, and responsive to local needs. Its operational strategy emphasizes institution building, community ownership, rights-based approaches, and strengthening grassroots leadership to create resilient and self-reliant communities.

Today, SANSKAR's interventions extend across 8 districts, 35 blocks, and more than 5,500 villages in Jharkhand, reaching hundreds of thousands of people through programmes that improve health, strengthen livelihoods, promote social justice, and enhance access to essential services. The organization continues to work closely with government departments, including the Jharkhand State AIDS Control Society (JSACS), the Department of Agriculture and Animal Husbandry, the Social Welfare Department, and corporate partners such as the Adani Foundation, demonstrating its capacity to implement large-scale, multi-sectoral development programmes.

As SANSKAR looks to the future, it remains committed to fostering inclusive growth, promoting innovation, strengthening community institutions, and building partnerships that contribute to a healthier, more equitable, and sustainable society. Through its continued dedication to service, accountability, and excellence, the organization strives to create lasting positive change in the lives of the people and communities it serves.

Vision

To promote the overall development of marginalized and indigenous rural communities through awareness, community empowerment, and social mobilization, and to build a just society founded on the values of fraternity, equality, and justice.

Mission

To ensure sustainable food and nutritional security for poor and disadvantaged communities, enabling them to identify and utilize their potential and local resources for sustainable development while preserving the environment and ecological balance.

Our Programmes and Impact

CSR Project Supported by Adani Foundation

Strengthening Rural Livelihoods through Sustainable Agriculture

Project Overview

With the support of the Adani Foundation, Shree Amar Sanskar Kalyan Kendra (SANSKAR) implemented a community-based livelihood enhancement programme in Sindri Block of Dhanbad district during FY 2025–26. The initiative focused on strengthening the livelihoods of small and marginal farmers through improved livestock management, farmer capacity building, sustainable agricultural practices, and support to Self-Help Groups (SHGs). By combining technical training, veterinary health services, exposure visits, and agricultural input support, the project enabled rural households to improve farm productivity, adopt scientific farming practices, and enhance their income opportunities.

Project Snapshot

Particular	Details
Funding Partner	Adani Foundation (CSR Initiative)
Project Area	Sindri Block, Dhanbad District, Jharkhand
Target Beneficiaries	Small & Marginal Farmers, Livestock Owners, SHG Members and Rural Households
Project Objective	To strengthen rural livelihoods by promoting sustainable agriculture, improving livestock health, enhancing farmers' knowledge, and encouraging community participation.

Key Activities

- Organized **7 Livestock Training & Animal Health Camps** promoting scientific animal husbandry practices.
- Conducted livestock immunization, treatment and tagging services.
- Organized a **two-day Capacity Building Programme** for farmers and Self-Help Groups.
- Facilitated an exposure visit to **Krishi Vigyan Kendra (KVK), Peterwar** for learning improved agricultural technologies.
- Distributed quality seeds to farmers to promote improved crop production and farm productivity.

Major Achievements

Indicator	Achievement
Livestock Training & Health Camps	**7**
Rural Participants Trained	**280**
Livestock Immunized, Treated & Tagged	**600**
Farmers & SHG Members in Exposure Visit	**42**
Farmers Provided with Quality Seeds	**60**

Outcomes & Community Impact

The project strengthened the capacities of farming communities by improving access to technical knowledge, veterinary healthcare, and quality agricultural inputs. Farmers adopted improved cultivation practices, while livestock owners benefited from better animal health management, contributing to higher productivity and reduced livelihood risks. Exposure visits and training programmes enhanced awareness of modern agricultural technologies and encouraged the adoption of sustainable farming practices. The active involvement of Self-Help Groups further strengthened community participation and contributed to building resilient and self-reliant rural communities.

Project Highlights

- 600 livestock received veterinary care and preventive health services.
- 280 farmers strengthened their livestock management skills.
- 42 farmers gained practical exposure to improved agricultural technologies at KVK, Peterwar.
- 60 farmers received quality seeds to improve crop productivity.
- 7 livestock health camps promoted scientific animal husbandry across project villages.

Project Photographs

- Livestock Health Camp
- Farmer & SHG Capacity Building Programme
- Exposure Visit to KVK, Peterwar
- Quality Seed Distribution
- Veterinary Treatment & Immunization Activities

Targeted Intervention Programme for Injecting Drug Users (IDUs) and Female Sex Workers (FSWs)

Advancing HIV Prevention and Community Health in Bokaro

Project Overview

With the support of the **Jharkhand State AIDS Control Society (JSACS)**, Shree Amar Sanskar Kalyan Kendra (SANSKAR) continued implementing the **Targeted Intervention (TI) Programme** in **Bokaro district** during FY 2025–26. The programme aims to reduce the transmission of HIV and sexually transmitted infections (STIs) among **Injecting Drug Users (IDUs)** and **Female Sex Workers (FSWs)** through a comprehensive package of prevention, care, treatment referral, and community support services.

Using a community-led and peer-driven approach, the programme strengthened outreach, behaviour change communication, HIV testing, STI management, harm reduction services, and linkage to treatment. By promoting safer practices and improving access to quality healthcare, the programme continued to enhance the health, dignity, and well-being of vulnerable communities.

Project Snapshot

Particular	Details
Funding Partner	Jharkhand State AIDS Control Society (JSACS)
Project Area	Bokaro District, Jharkhand
Target Groups	Injecting Drug Users (IDUs) & Female Sex Workers (FSWs)
Sanctioned Coverage	650 IDUs & 800 FSWs
Project Objective	To reduce HIV and STI transmission through prevention, harm reduction, counselling, HIV testing, treatment referral, and community empowerment.

Key Activities

- Community outreach and registration of high-risk populations.
- Individual and group counselling on HIV prevention and safer practices.
- HIV testing and counselling for beneficiaries, spouses, and partners.
- STI and tuberculosis screening with referral for treatment.
- Needle–syringe exchange services for Injecting Drug Users.
- Condom promotion and free distribution.
- Clinical services and referral through designated health facilities.
- ART linkage and follow-up support for HIV-positive beneficiaries.
- Regular Drop-in Centre (DIC) meetings, hotspot meetings, crisis response meetings, peer educator sessions, and stakeholder coordination meetings.

Major Achievements

Indicator	Achievement
Active IDUs Reached	**740**
Active FSWs Reached	**910**
New Beneficiaries Registered	**288**
Clinic Services Provided	**1,569**
HIV Tests Conducted	**1,909**
Beneficiaries Screened for Syphilis	**691**
Beneficiaries Screened for Tuberculosis	**871**
Needles Distributed	**201,184**
Syringes Distributed	**214,765**
Condoms Distributed	**235,988**
ART Linkage	**100% of Identified PLHIV**

Programme Outcomes & Community Impact

The programme continued to strengthen HIV prevention and harm reduction services among high-risk populations in Bokaro district. By exceeding its sanctioned coverage for both IDUs and FSWs, SANSKAR expanded access to HIV prevention, counselling, testing, and clinical services for vulnerable communities. Regular screening for HIV, STIs, and tuberculosis facilitated early diagnosis and timely treatment, while needle–syringe exchange and condom promotion encouraged safer practices and reduced the risk of HIV transmission. Strong referral systems ensured that all identified HIV-positive beneficiaries were linked to Antiretroviral Therapy (ART), contributing to improved treatment continuity and better health outcomes. Continuous engagement with peer educators, community members, and key stakeholders further strengthened trust, service utilization, and the long-term sustainability of the programme.

Programme Highlights

- Reached 740 IDUs and 910 FSWs, exceeding sanctioned programme targets.
- Registered 288 new beneficiaries through sustained community outreach.
- Conducted over 1,900 HIV tests, ensuring early diagnosis and timely referral.
- Distributed more than 201,000 needles, 214,000 syringes, and 235,000 condoms to promote safer practices.
- Achieved 100% linkage to ART services for all identified HIV-positive beneficiaries.

Project Photographs

Targeted Intervention Programme for Migrant Workers
Promoting Health and HIV Prevention among Migrant Communities
Project Overview

With the support of the **Jharkhand State AIDS Control Society (JSACS)**, Shree Amar Sanskar Kalyan Kendra (SANSKAR) continued implementing the **Targeted Intervention (TI) Programme for Migrant Workers** in **Jamshedpur, East Singhbhum**, during FY 2025–26. The programme aims to reduce the vulnerability of migrant workers to HIV/AIDS and sexually transmitted infections (STIs) by improving access to preventive healthcare, counselling, HIV testing, clinical services, and referral support.

Recognising the challenges faced by highly mobile populations, the programme adopts a community-based approach that promotes safer health practices, ensures continuity of care, and strengthens access to essential health services. During the year, SANSKAR expanded outreach activities, health camps, community awareness initiatives, and screening services, enabling migrant workers and their families to access timely healthcare and HIV prevention services.

Project Snapshot

Particular	Details
Funding Partner	Jharkhand State AIDS Control Society (JSACS)
Project Area	Jamshedpur, East Singhbhum District, Jharkhand
Target Group	Migrant Workers
Annual Target	10,000 Migrant Workers
Project Objective	To reduce HIV and STI vulnerability among migrant workers through prevention, counselling, testing, clinical care, referral services, and continuity of healthcare.

Key Activities

- Community outreach and interpersonal communication (IPC) sessions.
- Individual counselling and behaviour change communication.
- Drop-in Centre (DIC) services and clinical referrals.
- Community-Based HIV Screening (CBS).
- STI screening and referral for treatment.
- Condom promotion and health education.
- Health camps and community awareness programmes.
- Advocacy meetings, stakeholder consultations, congregation events, and mid-media campaigns.
- Blood Donation Camp and Mega Health Camp.
- World AIDS Day awareness activities.
- Continuity-of-care support for migrant workers moving between locations.

Major Achievements

Indicator	Achievement
Migrant Workers Reached	**10,412**
Clinic Services Provided	**4,721**
Counselling Sessions Conducted	**4,105**
Health Camps Organized	**242**
IPC Sessions Conducted	**3,872**
Individuals Reached through IPC	**42,541**
Community-Based HIV Screenings (CBS)	**4,626**
Advocacy Programmes	**24**
Mid-Media Campaigns	**24**
Development Group Activities	**24**
Stakeholder Meetings	**12**
Congregation Events	**8**
Blood Units Collected	**35**
ART Linkage	**100% of Identified PLHIV**

Programme Outcomes & Community Impact

The programme strengthened access to HIV prevention and essential healthcare services for migrant workers by exceeding its annual outreach targets. Expanded counselling, HIV screening, and clinical services contributed to early detection, improved awareness, and timely referral for treatment. Community engagement through health camps, advocacy initiatives, and awareness campaigns encouraged safer health practices and increased utilization of healthcare services.

Special initiatives such as the **Mega Health Camp**, **Blood Donation Camp**, and **World AIDS Day programmes** addressed broader community health needs while promoting HIV awareness. The programme's continuity-of-care approach ensured that migrant workers remained connected to treatment and support services despite frequent mobility, contributing to improved health outcomes and greater programme effectiveness.

Programme Highlights

- Reached 10,412 migrant workers, surpassing the annual target of 10,000 beneficiaries.
- Conducted 4,626 Community-Based HIV Screenings to support early detection and timely care.
- Organized 242 health camps and delivered over 4,700 clinic services.

- Reached more than 42,500 individuals through interpersonal communication and community awareness activities.
- Achieved 100% linkage to ART services for all identified HIV-positive beneficiaries.
- Successfully organized a Mega Health Camp, Blood Donation Camp, and World AIDS Day awareness programmes to promote community health and HIV awareness.

Special Health Initiatives

Initiative	Achievement
Mega Health Camp – Eye Examinations	**69**
Spectacles Provided	**39**
Retina Surgeries Facilitated	**17**
Blood Donation Camp	**35 Units Collected**

Krishak Pathshala: Promoting Integrated and Sustainable Agriculture Building Climate-Resilient Farming Systems for Rural Prosperity

Project Overview

Shree Amar Sanskar Kalyan Kendra (SANSKAR) continued implementing **Krishak Pathshala** at **Vishnugarh, Hazaribagh district**, under the **Samekit Birsa Gram Yojana Sah Krishak Pathshala** of the **Department of Agriculture and Animal Husbandry, Government of Jharkhand**. Established as a model integrated farming and demonstration centre, the project promotes climate-resilient agriculture, efficient natural resource management, and diversified livelihood opportunities for rural communities.

By integrating crop cultivation, horticulture, livestock, fisheries, beekeeping, renewable energy, and modern irrigation technologies, Krishak Pathshala provides farmers with practical learning opportunities through field demonstrations and hands-on training. During FY 2025–26, the project further strengthened its infrastructure while expanding farmer training programmes to encourage the adoption of sustainable and profitable farming systems.

Project Snapshot

Particular	Details
Funding Partner	Department of Agriculture & Animal Husbandry, Government of Jharkhand
Scheme	Samekit Birsa Gram Yojana Sah Krishak Pathshala
Project Location	Vishnugarh Block, Hazaribagh District, Jharkhand
Target Beneficiaries	Small & Marginal Farmers, Progressive Farmers, Rural Youth, Farmer Producer Groups and Farming Households
Project Objective	To promote integrated, climate-resilient agriculture through demonstration, capacity building, efficient resource management, and diversified livelihood models.

Key Activities

- Developed and strengthened an **18-acre integrated demonstration farm**.
- Installed a **5 HP solar-powered irrigation system** with deep borewell.
- Constructed a **packhouse** for post-harvest management and a **green net nursery** for quality planting materials.
- Trained around **500 farmers** on integrated farming, Kharif planning, and Rabi crop management.
- Demonstrated **vermicomposting** and **Azolla cultivation** for sustainable agriculture and livestock nutrition.
- Promoted **goat farming, poultry, fisheries, and beekeeping** as diversified livelihood options.
- Installed a **5 MT cold storage facility** and a **5 KW solar rooftop system**.
- Expanded **drip irrigation across 14 acres** to improve water-use efficiency.
- Demonstrated cultivation of high-value vegetables and promoted paddy cultivation using the **System of Rice Intensification (SRI)** method.

Major Achievements

Indicator	Achievement
Demonstration Farm Developed	**18 Acres**
Farmers Trained	**500**
Drip Irrigation Coverage	**14 Acres**
Cold Storage Capacity	**5 MT**
Solar Irrigation System	**5 HP**
Solar Rooftop System	**5 KW**
Beekeeping Units Established	**100 Boxes**
Goat Farming Unit	**30 Goats**

Programme Outcomes & Community Impact

Krishak Pathshala continued to emerge as a model centre for integrated and sustainable agriculture in Jharkhand. Farmers enhanced their knowledge and skills through practical demonstrations on climate-smart agriculture, efficient water management, and diversified farming systems. Investments in solar-powered irrigation, drip irrigation, post-harvest infrastructure, and renewable energy improved farm efficiency while reducing production costs and resource dependence. The promotion of livestock, fisheries, beekeeping, and organic farming created additional livelihood opportunities, enabling farming households to diversify income sources and strengthen resilience against climate and market-related challenges.

Programme Highlights

- Developed an 18-acre integrated demonstration farm showcasing climate-resilient farming practices.
- Trained approximately 500 farmers through hands-on demonstrations and field-based learning.
- Installed a 5 HP solar irrigation system, 5 MT cold storage facility, and 5 KW solar rooftop system to strengthen farm infrastructure.
- Expanded drip irrigation across 14 acres, promoting efficient water conservation and sustainable crop production.
- Demonstrated integrated farming models combining crops, livestock, fisheries, beekeeping, and organic farming to improve productivity and rural livelihoods.

Residential Care Programme for Senior Citizens
Providing Dignity, Care and Security for the Elderly
Project Overview

Since **2018**, Shree Amar Sanskar Kalyan Kendra (SANSKAR), with the support of the **Social Welfare Department, Government of Jharkhand**, has been operating a **Residential Care Programme for Senior Citizens** at **Badajor Panchayat, Chandankyari Block, Bokaro district**. The programme provides a safe and dignified living environment for elderly persons who are homeless, abandoned, neglected, or without adequate family support.

Beyond shelter, the programme offers holistic care through healthcare services, nutritious meals, counselling, recreation, and emotional support, enabling senior citizens to live with dignity, security, and improved well-being. During FY 2025–26, the programme continued to provide comprehensive residential care while fostering a compassionate and supportive environment for its residents.

Project Snapshot

Particular	Details
Funding Partner	Social Welfare Department, Government of Jharkhand
Programme Started	2018
Project Location	Badajor Panchayat, Chandankyari Block, Bokaro District, Jharkhand
Target Beneficiaries	Homeless, abandoned, destitute and vulnerable senior citizens requiring residential care and protection
Project Objective	To provide safe residential care, healthcare, nutrition, emotional support, and a dignified living environment for vulnerable senior citizens.

Key Activities

- Safe and secure residential accommodation throughout the year.
- Provision of nutritious and balanced meals.
- Regular medical check-ups and healthcare services.
- Supply of medicines, clothing, and essential daily-use items.
- Personal care, hygiene support, and counselling.
- Recreational activities to promote mental and emotional well-being.
- Emergency healthcare through **24×7 ambulance services**.
- Dignified end-of-life care and assistance with last rites, whenever required.
- Regular monitoring and quality assurance by the Social Welfare Department.

Major Achievements

Indicator	Achievement
Senior Citizens Provided Residential Care	**25**
Male Residents	**15**
Female Residents	**10**
Residential Care Facility	**Operational Throughout the Year**
Healthcare & Medical Support	**Provided Regularly**
Nutrition & Daily Essentials	**Provided to All Residents**
Emergency Ambulance Support	**Available 24×7**

Programme Outcomes & Community Impact

The Residential Care Programme continued to provide a secure, compassionate, and dignified home for vulnerable senior citizens who would otherwise face neglect, isolation, or insecurity. Access to regular healthcare, nutritious food, emotional support, and recreational activities significantly enhanced the quality of life and well-being of residents. By ensuring comprehensive care in a safe environment, the programme strengthened social protection for the elderly and reinforced the values of dignity, compassion, and respect for senior citizens. Since its inception in 2018, the programme has become a trusted model of institutional elder care in Bokaro district.

Programme Highlights

- Provided year-round residential care and support to 25 senior citizens.
- Ensured regular healthcare, medicines, nutritious meals, and daily living assistance for all residents.
- Maintained 24×7 emergency ambulance support for timely medical care.
- Promoted physical, emotional, and social well-being through counselling and recreational activities.
- Continued to receive regular monitoring and guidance from the Social Welfare Department to ensure quality standards of care.

Programme Photographs

Empowering Communities through Awareness, Inclusion and Capacity Building

Project Overview

Alongside its flagship programmes, **Shree Amar Sanskar Kalyan Kendra (SANSKAR)** continued implementing a range of community development initiatives across Jharkhand during FY 2025–26. These interventions addressed key social issues including child protection, preventive healthcare, substance abuse prevention, women's empowerment, youth development, and community rights awareness.

Working in collaboration with government departments, educational institutions, community-based organizations, and local volunteers, SANSKAR promoted awareness, strengthened community participation, and enhanced access to essential services. These initiatives complemented the organization's broader development efforts by fostering informed, healthy, and resilient communities.

Community Development at a Glance

Initiative	Focus Area	Key Outcome
Campaign Against Child Marriage	Child Protection & Girls' Rights	Increased awareness on child rights, legal provisions, and the importance of girls' education.
Eye Health & Vision Care Camps	Preventive Healthcare	Improved access to eye screening, vision care, and referral services.
Drug De-addiction & Substance Abuse Awareness	Public Health	Promoted healthy lifestyles and strengthened awareness among adolescents and youth.
Forest Rights Awareness	Rights & Natural Resource Governance	Improved awareness of forest rights and encouraged community participation in sustainable resource management.
Women Empowerment & Livelihood Promotion	Gender Equality & Livelihoods	Enhanced leadership, financial awareness, and livelihood opportunities for women and SHGs.
Skill Development & Youth Capacity Building	Youth Employability	Improved vocational skills and employment readiness among rural youth.

Key Community Interventions

Child Protection & Girls' Rights

- Conducted awareness campaigns against child marriage.
- Engaged parents, adolescents, teachers, and community leaders.
- Promoted girls' education and awareness of child protection laws.

Preventive Healthcare

- Organized community eye screening and vision care camps.
- Facilitated specialist referrals and distribution of spectacles where required.
- Promoted early detection and treatment of vision-related conditions.

Drug De-addiction & Healthy Lifestyles

- Conducted awareness programmes on the harmful effects of substance abuse.
- Promoted behaviour change and healthy lifestyle choices among youth.
- Encouraged community participation in creating drug-free environments.

Forest Rights & Community Awareness

- Organized awareness sessions on the Forest Rights Act.
- Promoted understanding of individual and community forest rights.
- Encouraged sustainable management of natural resources.

Women Empowerment & Livelihood Promotion

- Conducted capacity-building programmes for women and Self-Help Groups.
- Promoted financial inclusion, entrepreneurship, and leadership development.
- Encouraged greater participation of women in livelihood and community decision-making.

Skill Development & Youth Capacity Building

- Organized vocational training and career guidance programmes.
- Strengthened employability and self-employment skills among rural youth.
- Promoted skill enhancement for sustainable livelihood opportunities.

Community Impact

Through these initiatives, SANSKAR strengthened community awareness, encouraged positive behavioural change, and improved access to information and essential services for vulnerable populations. The programmes promoted child protection, preventive healthcare, women's empowerment, youth employability, and community participation while encouraging sustainable management of natural resources. Together, these interventions reinforced SANSKAR's commitment to inclusive, participatory, and sustainable development across Jharkhand.

Highlights of FY 2025–26

- Raised awareness on child protection and the prevention of child marriage.
- Expanded access to preventive eye care through community screening camps.
- Promoted healthy lifestyles through anti-drug awareness campaigns.
- Strengthened awareness of forest rights and sustainable resource management.
- Empowered women through leadership, financial literacy, and livelihood initiatives.
- Enhanced employability of rural youth through skill development and career guidance programmes.

Stories of Change

Transforming Lives, Strengthening Communities

Behind every achievement presented in this report is a story of resilience, hope, and transformation. At SANSKAR, development is measured not only by the number of people reached but by the positive and lasting changes experienced by individuals, families, and communities. During FY 2025–26, our programmes continued to improve livelihoods, strengthen access to healthcare, promote sustainable agriculture, and provide care and protection to vulnerable groups across Jharkhand.

Growing Prosperity through Sustainable Agriculture

Krishak Pathshala | Vishnugarh, Hazaribagh

A small farmer from Vishnugarh had long depended on traditional farming methods that produced low yields and limited income. After participating in training programmes at **Krishak Pathshala**, the farmer adopted integrated farming practices, improved irrigation techniques, and diversified into livestock and organic farming. These changes enhanced farm productivity, reduced risks, and inspired neighbouring farmers to adopt similar practices.

"Krishak Pathshala has shown us that farming can become more productive and sustainable when knowledge and innovation come together."

A Home that Restored Dignity

Residential Care Programme | Chandankyari, Bokaro

An elderly resident who had been living without family support found safety, care, and companionship through SANSKAR's Residential Care Programme. Access to nutritious meals, regular healthcare, counselling, and a supportive environment transformed daily life from one of uncertainty to one of dignity and security.

"This home has given me not only shelter but also care, respect, and a sense of belonging."

Ensuring Health for Migrant Workers

Targeted Intervention Programme | Jamshedpur

Frequent migration had made it difficult for a migrant worker to access regular healthcare and preventive services. Through SANSKAR's outreach programme, the beneficiary received counselling, HIV screening, health education, and timely referrals to healthcare facilities. Continued support improved health awareness, encouraged safer practices, and ensured uninterrupted access to essential services despite occupational mobility.

"The counselling and health services gave me confidence to take better care of myself and my family."

Creating Lasting Impact

Every life touched by SANSKAR reflects the power of knowledge, compassion, and community partnership. Whether helping a farmer build a more resilient livelihood, providing a dignified home for an elderly person, or ensuring access to healthcare for migrant workers, our programmes demonstrate that sustainable development is ultimately about empowering people to lead healthier, safer, and more hopeful lives.

Partnerships and Community Engagement

Building Sustainable Change Through Collaboration

At **Shree Amar Sanskar Kalyan Kendra (SANSKAR)**, partnerships and community participation are central to achieving sustainable development. During FY 2025–26, the organization worked closely with government departments, corporate partners, community institutions, and local stakeholders to implement programmes that addressed public health, sustainable agriculture, rural livelihoods, social welfare, and community empowerment across Jharkhand.

These collaborations strengthened programme delivery, improved access to essential services, and ensured that interventions remained responsive to local needs while contributing to the long-term well-being of communities.

Our Key Partners

Partner	Area of Collaboration
Jharkhand State AIDS Control Society (JSACS)	Targeted Intervention Programmes for IDUs, FSWs and Migrant Workers, including HIV prevention, counselling, testing, treatment linkage and community outreach.
Department of Agriculture & Animal Husbandry, Government of Jharkhand	Implementation of Krishak Pathshala, promoting integrated farming, climate-resilient agriculture and farmer capacity building.
Social Welfare Department, Government of Jharkhand	Residential Care Programme for Senior Citizens, supporting residential care, healthcare, nutrition and rehabilitation services.
Adani Foundation	Livelihood enhancement through farmer training, livestock health camps, agricultural input support and exposure visits.

Community Engagement

SANSKAR believes that sustainable development is most effective when communities actively participate in planning, implementation, and monitoring. Throughout the year, the organization worked closely with local institutions and community groups to encourage ownership, strengthen local leadership, and promote inclusive development.

Community Stakeholders Engaged

- Gram Panchayats and Local Government Representatives
- Self-Help Groups (SHGs)
- Farmer Producer Groups and Farmer Collectives
- Community-Based Organizations (CBOs)
- Village Development Committees
- Youth Groups and Volunteers
- Frontline Workers and Community Leaders

Strengthening Community Ownership

Through training programmes, awareness campaigns, community meetings, field demonstrations, and capacity-building initiatives, SANSKAR empowered individuals and community institutions to adopt improved practices, access government services, and actively participate in local development. This participatory approach strengthened community resilience, encouraged local leadership, and enhanced the sustainability of programme outcomes.

Our Collaborative Approach

- Strong partnerships with Government departments and CSR organizations.
- Active engagement of community institutions and local leadership.
- Community participation integrated into programme planning and implementation.
- Capacity building to strengthen local ownership and sustainability.
- Shared commitment to inclusive, resilient and community-led development.

Looking Forward

The achievements of FY 2025–26 reflect the collective efforts of our partners, community institutions, volunteers, and dedicated team members. SANSKAR remains committed to expanding strategic partnerships, strengthening community-led institutions, and fostering collaborative solutions that improve lives and contribute to healthier, more resilient, and self-reliant communities across Jharkhand.

Acknowledgements and Contact Information

The achievements highlighted in this Annual Report reflect the collective efforts of our beneficiaries, partners, supporters, and dedicated team members. Their trust, collaboration, and commitment have enabled **Shree Amar Sanskar Kalyan Kendra (SANSKAR)** to continue creating meaningful change in the lives of vulnerable communities across Jharkhand.

We sincerely thank the **Jharkhand State AIDS Control Society (JSACS)**, the **Department of Agriculture & Animal Husbandry, Government of Jharkhand**, the **Social Welfare Department, Government of Jharkhand**, and the **Adani Foundation** for their continued partnership, guidance, and support in implementing impactful development programmes.

Our heartfelt appreciation also goes to the Gram Panchayats, Self-Help Groups, Community-Based Organizations, farmer groups, volunteers, healthcare professionals, community leaders, and local institutions whose active participation has strengthened our initiatives and ensured their sustainability.

We are especially grateful to our Governing Board, staff members, outreach workers, volunteers, and well-wishers for their dedication, professionalism, and unwavering commitment to our mission.

Together, we remain committed to building healthier, more resilient, and inclusive communities through partnership, compassion, and sustainable development.
