

# Bolting

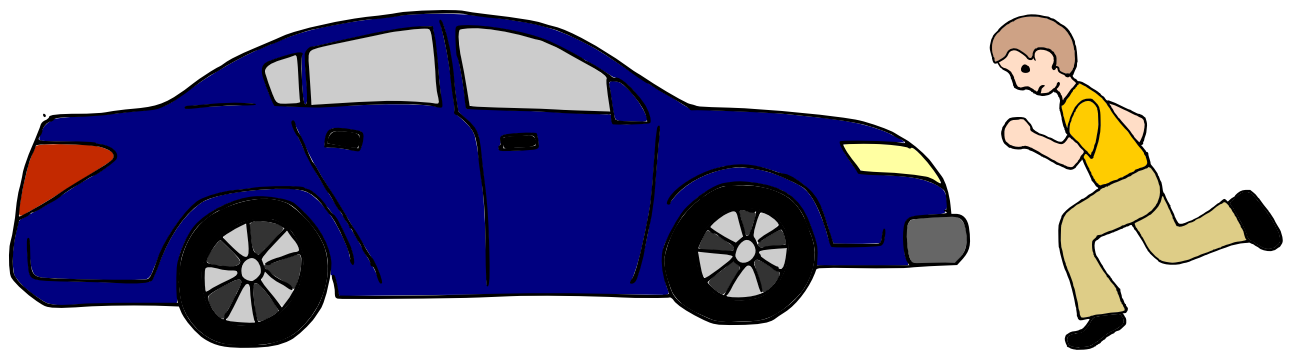

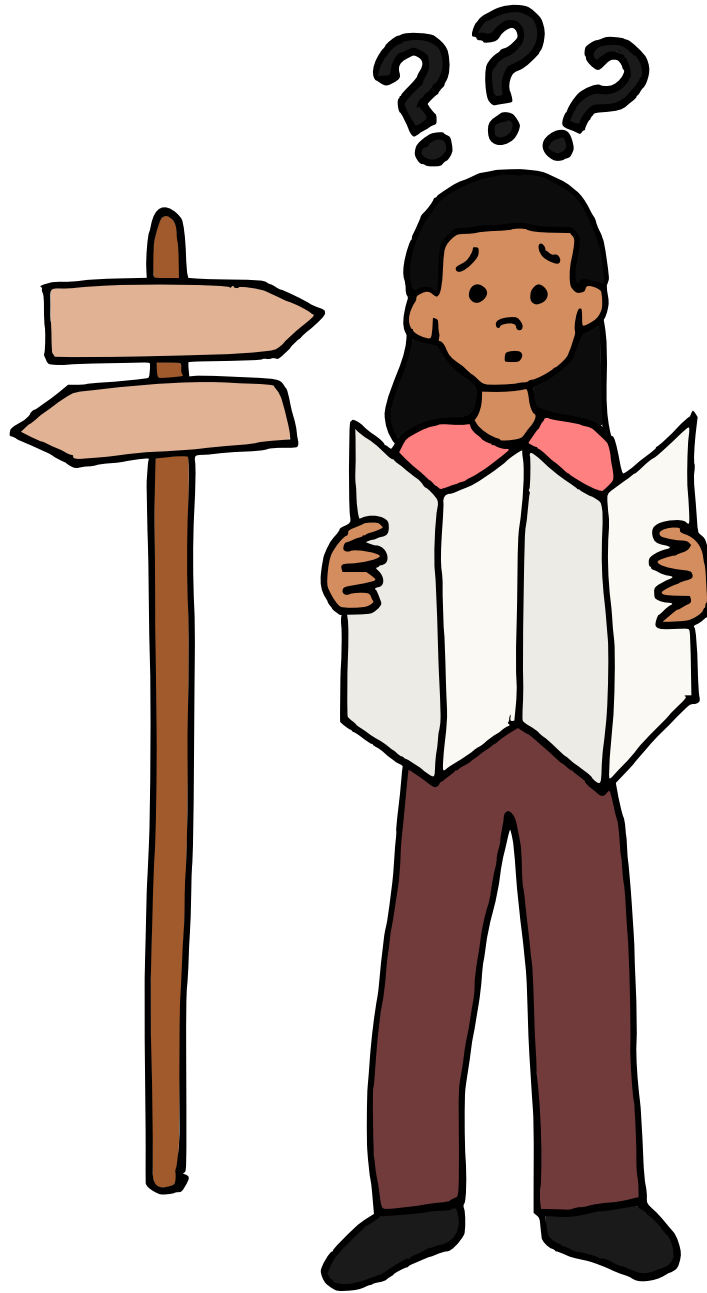

When Mom or Dad takes me outside,  
I need to stay close.

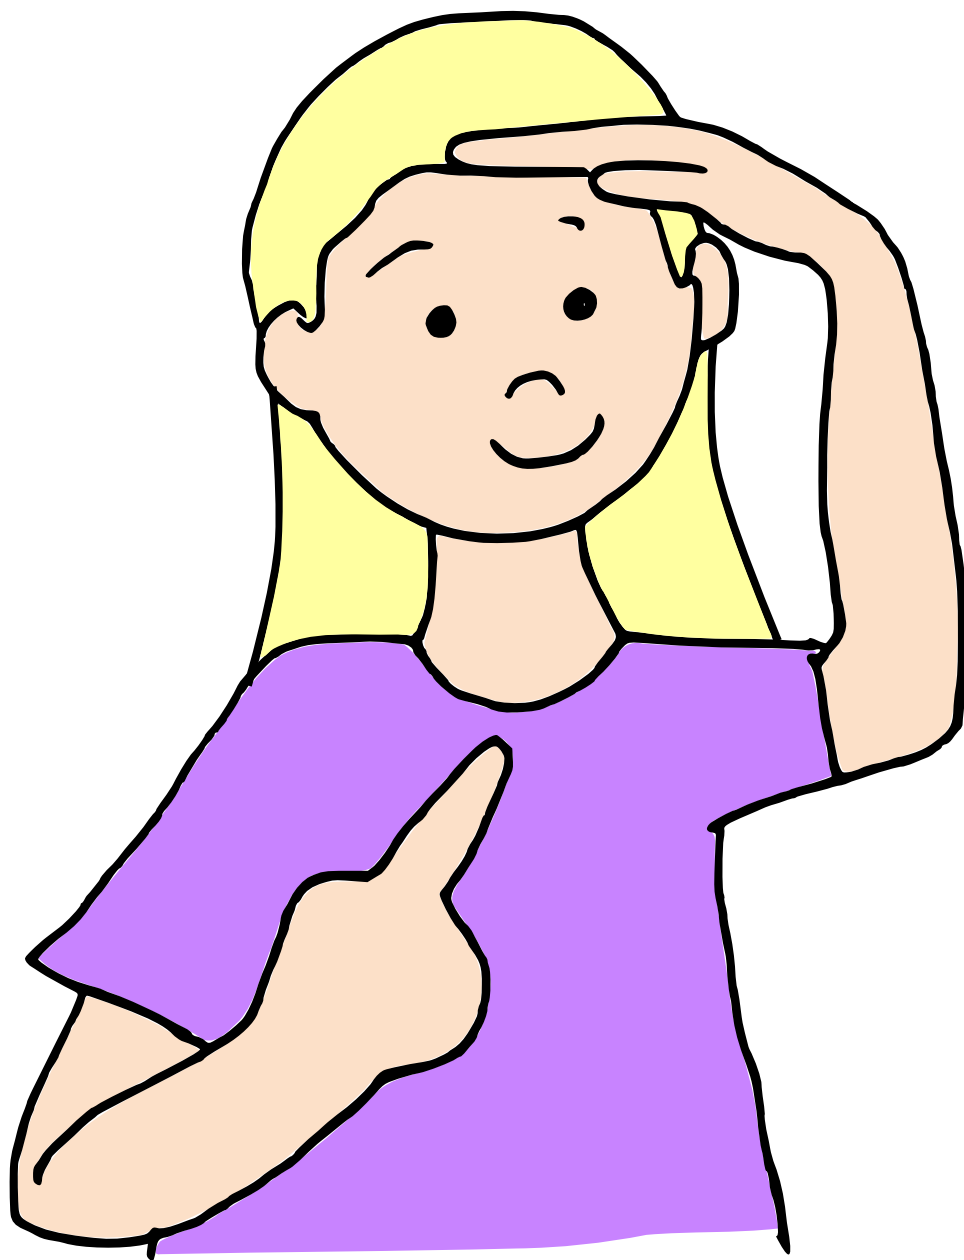

I cannot run away.

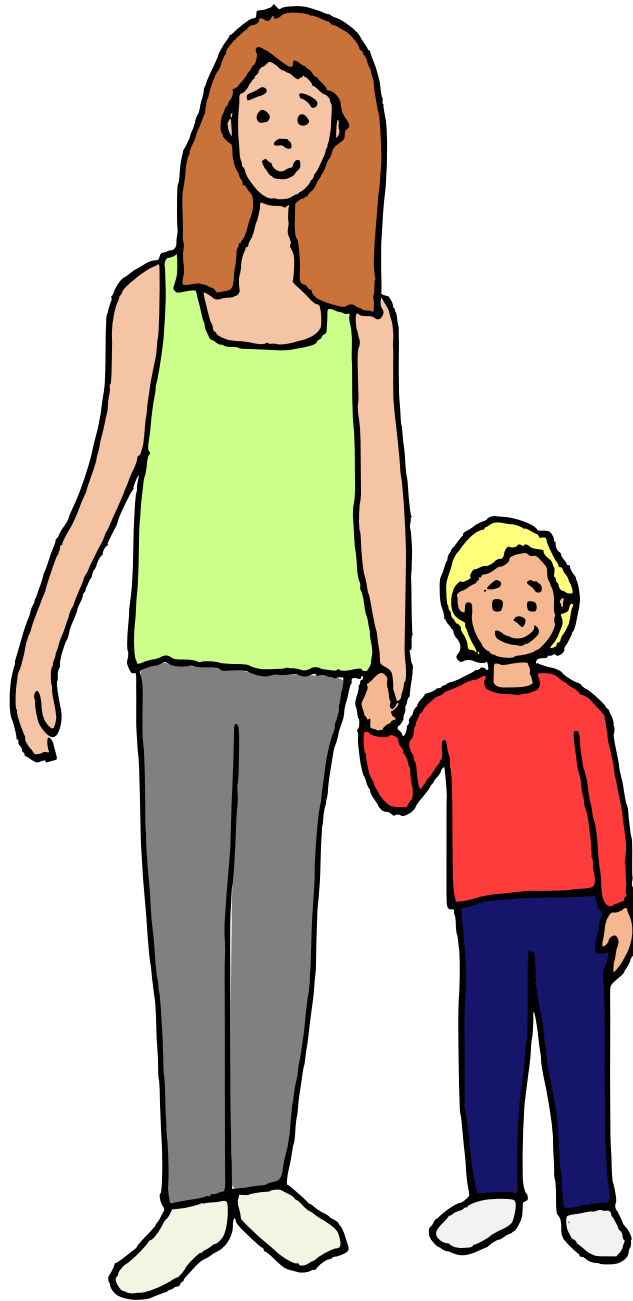

If I run away, I could get hit by a car.

I could get lost.

If I can't see Mom or Dad, they  
can't see me.

If don't stay close, Mom or Dad will hold my hand to help me.

Or they'll put me in a stroller or carrier.

If I hear Mom or Dad call my name, I  
need to stop and sit down.

Staying near Mom and Dad keeps me  
safe.
