

Time To Get Back to Routine

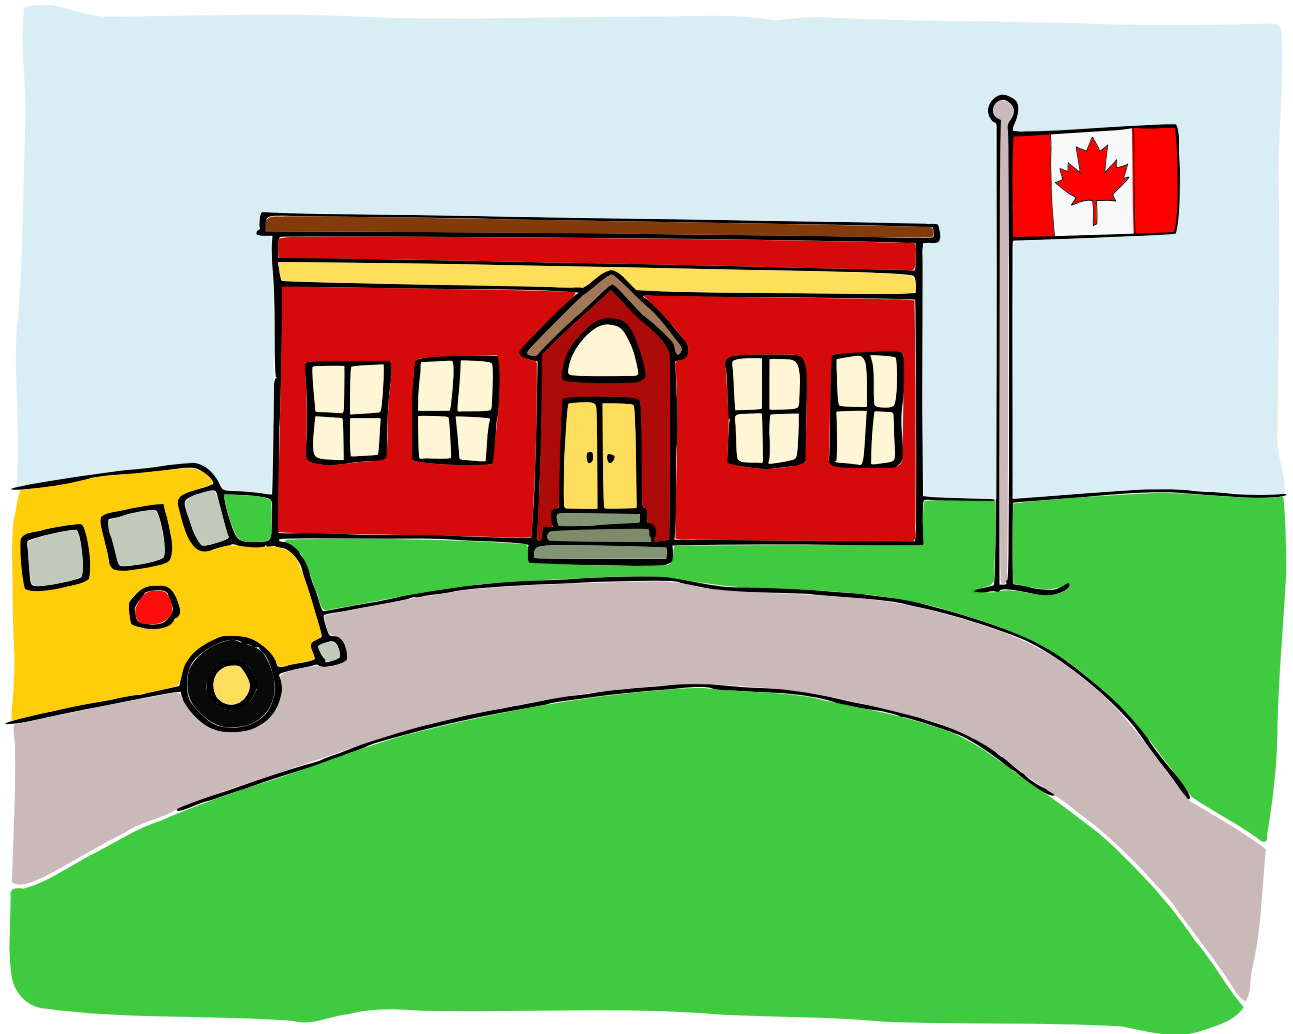

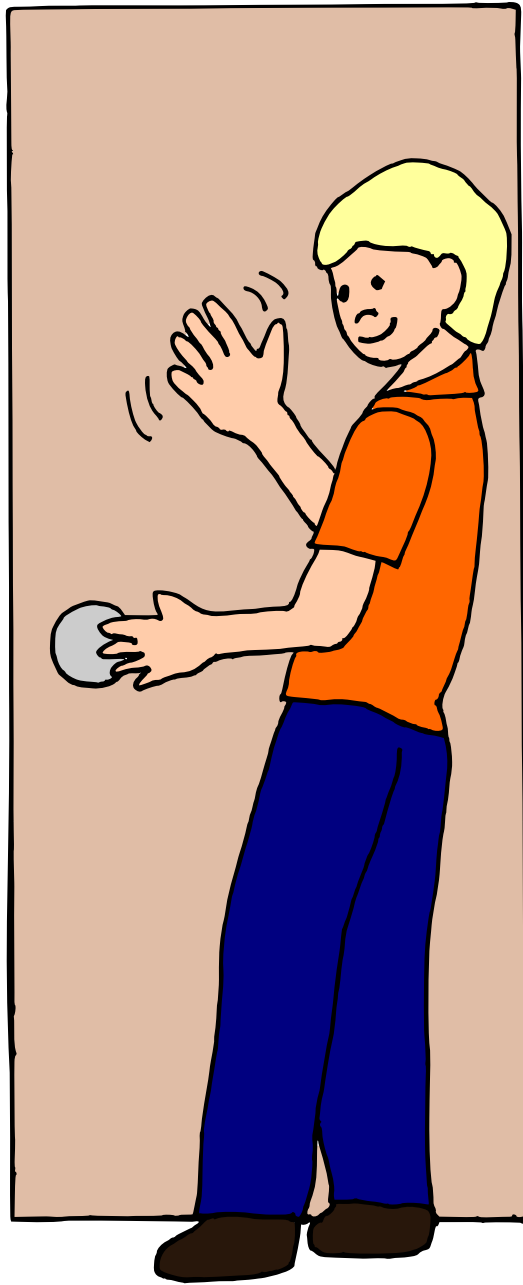

We've been on vacation. Vacation means that we get to stay at home or go on a trip.

Now the vacation is over, and it's time to get back to our routine.

That means it's time to go back to
daycare/ school.

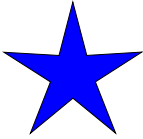

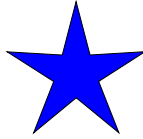

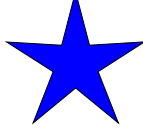

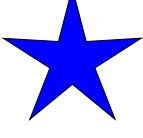

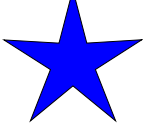

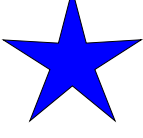

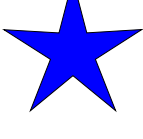

Mom or Dad will drop me off.

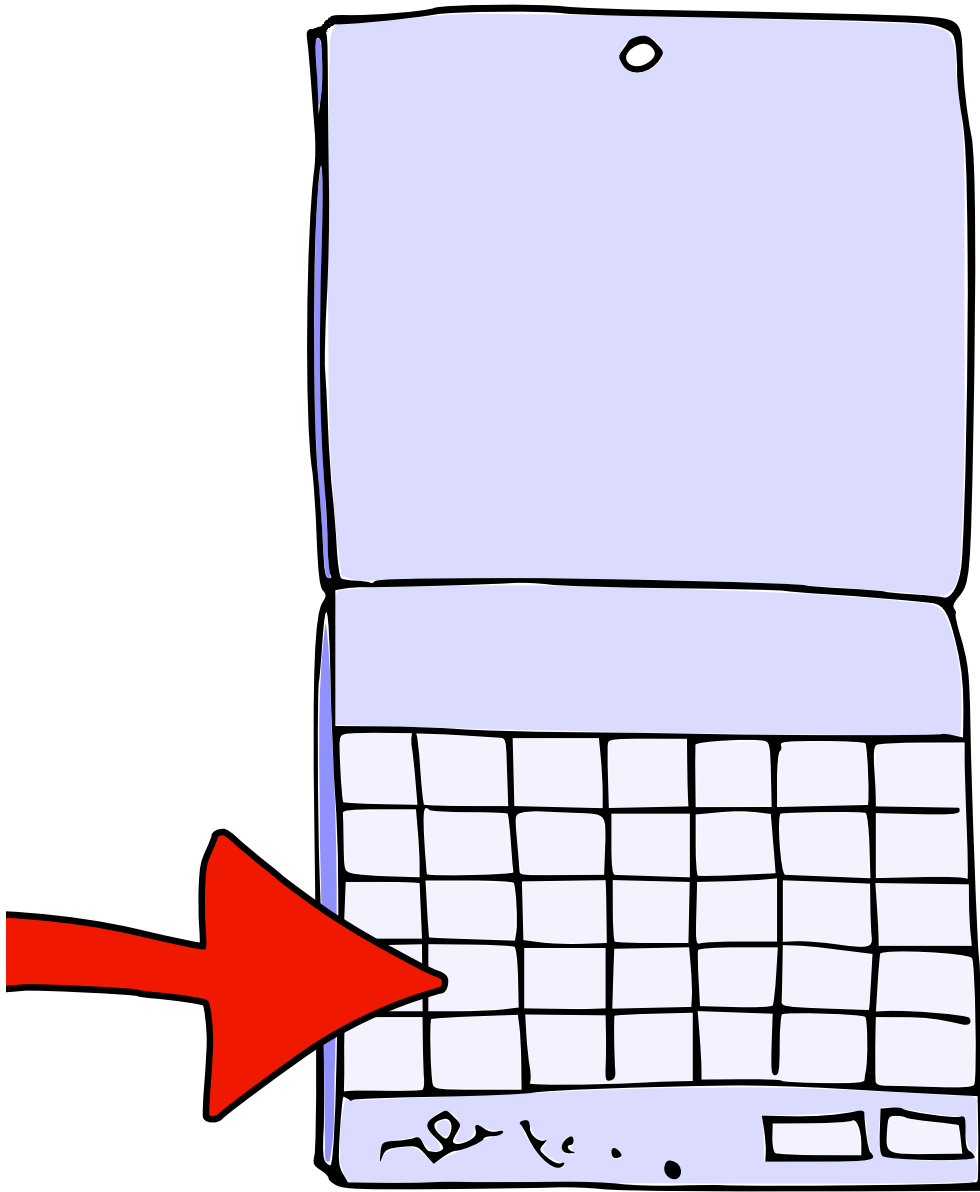

I will have fun with my friends and teachers.

At the end of the day, Mom or Dad
will come pick me up.

Weekends are like mini vacations.
Mom and Dad don't have to go to
work on weekends, so I don't go to
daycare/ school those days.

Vacations are fun, but they don't last forever. We'll have another vacation soon!
