What is Mens Camp All About?

Take a break, grab a mate and a camp chair and come along for a great weekend. Be prepared to relax, 4WD, beach camp, fish and much more. On both Friday and Saturday night, we will hear from different men as they share about their lives and faith. We will finish the Saturday night off with a group meal of slow-cooked meat. DETAILS

The weekend will be structured so that each person will be in a food group typically based on car arrangements. Each group is responsible for bringing their own camping gear, food, water, and cooking equipment for the weekend, except for Saturday night when we'll have a communal meal.

If you'd like to be placed in a group, please indicate this in your registration, and we'll assign you one. If it is your first time, let us know via email or text so we can make it as easy as possible for you.

We have booked the **Flinders Beach Campground** for you already. **EVERY PERSON MUST REGISTER INDIVIDUALLY ON THE CHURCH WEBSITE.** When you register, **please pay \$45** direct debit or by credit card at the church office. This payment includes camping fees and the Saturday night dinner.

Registrations/camp fees must be received and paid no later than **6th October**.
