# ABOUT US

If you have information about any major crime, **CALL** the National Crime Tips Toll-Free Hotline during business hours 9am - 5pm MTZ (Mountain Time Zone).

Working together in support of trained law enforcement officers, citizens have used the National Crime Tips system to launch a concerted attack against crime in their communities. The concept is a simple one; National Crime Tips provides an anonymous, toll-free crime hotline to citizens who have information about a crime and want to report it to authorities without having to reveal their identity in any way.

When a call is received on the National Crime Tips hotline, no name is requested, instead a private code name is assigned for safety and peace of mind. The first words you will hear from the tip operator will be "this is the National Crime Tips crimeline, please do not give your name or any personal information." The operator then asks a series of questions designed by law enforcement, to obtain the maximum amount of information about the reported crime. The caller always remains absolutely anonymous. The given information is immediately conveyed to the appropriate police and sheriffs agencies.

Arrests are never made on the basis of a telephone call alone. Arrests are only the result of verified law enforcement investigations.

**We Speak Multiple Languages:**  
(English, Spanish, Korean, Hindi, Thai, Vietnamese, Chinese, Armenian and others)

National Crime Tips' key to success is total community involvement.

We have established a program that enables offering rewards of \$1,000-\$10,000 in cases where a large reward may help lead to an arrest and conviction. The reward drop is made using the assigned code names and case numbers. No personal contact is ever made with the informant.

National Crime Tips includes special programs against: Armed Robbery, Arson, Bank Robbery, Corporate Crimes, Crimes Against Children, Crimes Against the Elderly, Drug Trafficking, Fraud, Gang Violence, Juvenile Firesetters, Postal Crimes, Serial Murders, Smuggling, Terrorism, Toxic Crime, Transit Crime, Vandalism, Graffiti, Vehicle Theft... and all other major crimes.

We thank you for your assistance in making possible the publishing and distribution of the Fire Tips Journal.
