Cuthbert-Harrison Bible

This bible was rescued from a used book dealer. We hope to find a descendant to send it to. This may be Mary Scott Harrison daughter of Benjamin Harrison. The closest I get to that is Louisa Smith Bonner wife of Dr. Ben Harrison who is son of President William Henry Harrison. The Harrison's in this bible appear to be in NC while the Bonner-Harrison connection is in Vincennes, IN. I have suspicions that Louisa's father David Bonner is from Dinwiddle Co., Va.

Harrison-Cuthbert Bible

This bible was rescued from a used book dealer. We hope to find a descendant to send it to. This may be Mary Scott Harrison daughter of Benjamin Harrison. The closest I get to that is Louisa Smith Bonner wife of Dr. Ben Harrison who is son of President William Henry Harrison. The Harrison's in this bible appear to be in NC while the Bonner-Harrison connection is in Vincennes, IN. I have suspicions that Louisa's father David Bonner is from Dinwiddle Co., Va.

Dear Cousin Charlie

Well, I have finally succeeded in regaining the bible from Rupert Loucks since he was away at college. It was necessary for me to wait until he returned home so that he might sent it. Then it was almost lost in the mail because my sister was not at home to receive it. I will bring it to Charlotteville in the very near future but in the meantime am sending data copied from it. My grandson is with me at present earning tuition money in order to attend the Univeristy of Richmond this fall. This leaves me well and I hope it finds you and yours the same. Very sincerely yours

Another Simmons Bible

This copy of a family bible vital statistics pages was sent to me by Melinda Jones Luke in October of 1993. The following is my transcription of the same.

George Ives of Princess Anne County, Virginia was a lieutenant in the Revolutionary Service. His son Jesse Ives was born October 24, 1776 and died March 2, 1849, was married to Rebecca Warden December 25, 1806. Among their children were Sarah (Sally) Emeline who married Mitchell Simmons my grandfather, Eliza who married Lewis Cason of Norfolk County, Virginia and Edwin Ives who married Mary Watters. Mary Elizabeth Cason was born December 17, 1843. I further know that Mary Elizabeth Cason's mother Eliza Ives was a sister to my grandmother, Sally Emeline Ives, both being sisters to Edwin Ives."

For years we have tried to determine whether G. B. Overton's middle initial stood for Bernard or Barnard. About three years ago we learned that in the bible his birth name was Grandy Barnett Overton. Now in his own handwriting we see that he changed it to Barnard. Mary Lee Barnes Harrell

From J. Carlyle Stephenson

Located in Kirn Library in Norfolk are three charts which cover six generations of descendants of Richard and Ellen Whitehurst who in 1640 established their home at "Three Runs" on the South Shore of the Eastern Branch of the Elizabeth River in Lower Norfolk County, Va. There is still a place called "Whitehurst Landing". The Whitehurst believe in remaining on their native soil bearing families, owning property and making wills. They have surpassed all the other families as land and slave owners in filling the record books with their names. The 1790 Census containing the 1785 PACo., and Norfolk Co., Heads of Families and no of white persons in each family shows 55 Whitehurst with an average of 5 persons in each family. The Charts were made from records in the clerk of court offices in Norfolk, and Princess Anne Counties. 5 Nov 1965 signed J. Carlyle Stephenson.
