Solutions for modern wound care management

- Increase healing rates
- Save clinic time
- Reduce material costs
- Improve patient satisfaction

Advazorb[®]

Preferred by clinicians
and patients

**Soft, conformable foam
fits hard to dress areas**

**High fluid retention:
effective under
compression**

Low friction backing

**High level of comfort,
rated by clinicians**

**Waterproof film
backing prevents
strike-through**

Wide contoured border

**Soft silicone contact
layer gently adheres to
skin without adhering to
wound bed**

Features

- Soft and conformable
- Absorbent with a high MVTR
- Low profile design
- Thin film water resistant backing
- Market-leading range of sizes

Benefits

- Secure fit for patient comfort
- Optimum wound environment
- Can be used safely under compression
- Reduces friction and extends wear time
- Clinically effective dressing choices

Advazorb® Absorbent Foam Dressings

Advazorb is a non-adherent foam dressing with breathable film backing.

Soft and conformable polyurethane foam that rapidly absorbs and retains fluids.

Contours with shape of the wound location.

The waterproof film backing prevents strikethrough making dressing suitable for use under compression.

Can be cut to meet specific wound applications.

For moderate exuding wounds

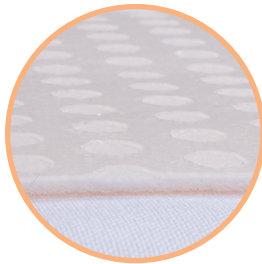

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb® Absorbent foam dressing with film backing	CR4165	3in x 3in	10	A6209
	CR4166	4in x 4in	10	A6209
	CR4167	5in x 5in	10	A6210
	CR4168	6in x 6in	10	A6210
	CR4169	4in x 8in	10	A6210

*Code usage should be verified by responsible parties in accordance with all published guidelines.

Advazorb[®] with SILFIX

Advazorb with Silfix[®] are designed with a hydrophilic foam that is excellent for handling fluid with an atraumatic soft silicone contact layer.

Silfix[®] soft silicone contact layer for pain-free removal.

Contours with shape of the wound location.

The waterproof film backing prevents strikethrough making dressing suitable for use under compression.

Can be cut to meet specific wound applications.

For moderate exuding wounds

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb[®] Silfix	CR4177	3in x 3in	10	A6209
Absorbent foam dressing with soft silicone wound contact layer	CR4178	4in x 4in	10	A6209
	CR4181	4in x 8in	10	A6210
	CR4182	8in x 8in	10	A6211

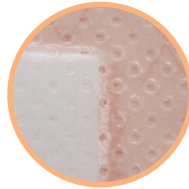

*Code usage should be verified by responsible parties in accordance with all published guidelines.

Advazorb® BORDER

Advazorb Border is a hydrophilic foam dressing with a soft silicone contact layer and border.

Soft, conformable foam allows dressing of difficult areas

Silfix® soft silicone contact layer and border for pain free removal

The non-friction and waterproof backing prevent strikethrough while providing patient comfort.

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb® Border Absorbent foam dressing with soft silicone wound contact layer and border For moderate exuding wounds	CR4190	3in x 3in	10	A6212
	CR4191	4in x 4in	10	A6212
	CR4192	5in x 5in	10	A6213
	CR4193	6in x 6in	10	A6213
	CR4194	4in x 8in	10	A6213
	CR4195	8in x 8in	10	A6213

Advazorb® FIXATION

A hydrophilic foam dressing with a soft silicone contact layer and surrounding adhesive. It is a low profile, non-bulky, skin-friendly foam dressing for a tracheostomy site, post decannulation.

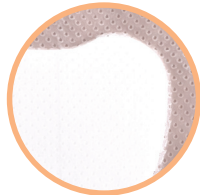

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb® Fixation Absorbent foam dressing with soft silicone layer	CR4341	4.75in x 4in	10	

*Code usage should be verified by responsible parties in accordance with all published guidelines.

Advazorb® SACRAL

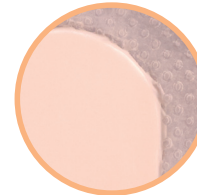

Hydrophilic foam dressing with soft silicone wound contact layer and border designed for application of sacral area.

Soft, conformable foam fits into shaped areas.

Silfix® silicone contact layer and border secures dressing in place with atraumatic removal.

Waterproof backing prevents strikethrough and external fluid penetration.

For moderate exuding wounds

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb® Sacral	CR4401	6.6in x 7.4in	10	
Absorbent foam sacral dressing with film backing	CR4402	8.6in x 9in	10	

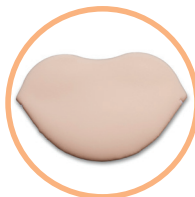

Advazorb® HEEL

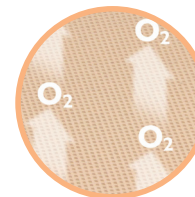

A conformable, non-adherent, hydrophilic, polyurethane foam dressing with a breathable film backing designed to fit around the heel.

Soft, conformable foam mold to unique shape of heel

Low friction backing for patient comfort in recumbent setting

High MVTR is conducive for moist wound healing environment

For moderate exuding wounds

Product	SKU	Sizes	Pack Sizes	HCPCS* Code
Advazorb® Heel	CR4502	6.5in x 8.5in	5	A6210
Absorbent foam dressing with film backing				

*Code usage should be verified by responsible parties in accordance with all published guidelines.
