- RAINFALL was a welcomed event over the past few months, despite it interrupting harvest for some and creating hay stack grief for others. Approximately 2" - 4" was recorded in and around Brim during November and December, with freak thunder storms seeing other local areas receive approx. 3" rainfall between November - January.

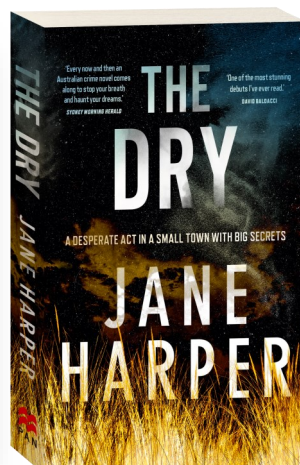

THE DRY - YARRIAMBIAICK LOCATIONS FOR FILM ADAPTION

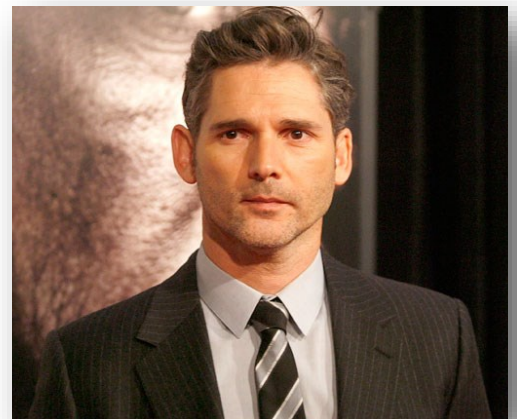

An exciting moment in Australian film is set to be an even more exciting event within our own Yarriambiack Shire, as filming for the Jane Harper story *THE DRY* is set to begin late February. The film, which is based off of Jane Harper's international award winning novel by the same name, will be shot throughout our local shire, with location sites already noted at Banyena, Kewell, Beulah, Jeparait and even a couple of 'back up' locations noted to be in Brim! With Australian screen legend Eric Bana set to play the lead role in the film, *THE DRY* centres around Federal Police Investigator Aaron Falk, who reluctantly returns to his hometown for the funeral of his childhood friend and the townsfolk who turned their backs on him twenty years earlier. In the grip of the worst drought in a century, the farming community of Kiewarra is facing life and death choices daily when three members of a local family are found brutally slain. But as his own doubts build, Falk is forced to probe deeper into the deaths of the Hadler family. Because Falk and Luke Hadler shared a secret. A secret Falk had thought was long buried... More than 1 million copies of Jane Harper's *The Dry* have been sold worldwide. The book has been awarded prizes including the CWA Gold Dagger for Best Crime Novel, the British Book Awards Crime and Thriller Book of the Year, the Australian Book Industry Awards Book of the Year and the Australian Indie Awards Book of the Year. If the book is anything to go by, then we cant wait to see the film adaption! If you haven't read *THE DRY*, copies can be purchased from McPhersons General Store.

400th FOOTBALL GAME ACHIEVEMENT

Congratulations to Clinton Jonnason on playing his 400th game of football for the Brim Football and Warrack Eagles Football Clubs. A fantastic achievement for him, Clinton started his career with Brim in what was then the Southern Mallee Football League, as a junior at the age of just 7. Clintons career record states 238 Senior games and 161 reserves games played. This achievement was reached with 96 senior games and 5 reserve games with Brim, then continuing with 143 senior games and 155 reserves games with the Warrack Eagles. We are all very proud of Clintons great show of commitment and dedication to his local football and Congratulate him on behalf of both the Brim and Warracknabeal communities on his milestone 400 games played. Well Done to you Jonno!

MATT ROSA - FROM AFL PLAYER TO COACHING

Former Brim Junior and Warrack Eagles recruit Matt Rosa recently announced his retirement from AFL Football after a wonderful 14 year career. Matt made his debut in 2005 as an 18year old playing for the West Coast Eagles and was nominated for the Rising Star Award. He played his 150th game with the West Coast Eagles in 2014, then in 2015 requested and received a transfer to the Gold Coast Suns, where he played a further 39 AFL games. In late August 2018 Matt announced his retirement from playing and has since returned to the West Coast Eagles in an assistant coach role, becoming the new stoppage and structure coach. We congratulate Matt on his AFL career achievements and wish him well as he takes on his new exciting role!

BOYCE'S JOKE OF THE MONTH

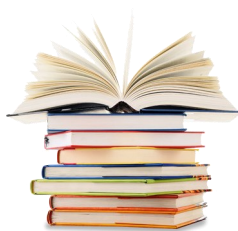

After just a few years of marriage, filled with constant arguments, a young man and his wife decide the only way to save their marriage is to try counselling. When they arrive, the counsellor opens the floor for discussion. "What seems to be the problem?"

The husband holds his long face down without anything to say. Meanwhile, his wife begins talking at 100 km an hour, describing all the wrongs within their marriage. After fifteen minutes of listening to the wife, the counsellor goes to her, picks her up by the shoulders, kisses her passionately for several minutes, and sits her back down. The wife is speechless.

The counsellor looks over at the husband who is staring in disbelief. The counsellor says, "Your wife needs that at least twice a week!" .. The husband scratches his head and replies, "I can have her here on Tuesdays and Thursdays."
