MELBOURNE CUP COMES TO BRIM

On August 28th, Brim was able to host the Lexus Melbourne Cup as part of the Cup's 17th annual tour. We were one of 39 towns to have this honour of hosting the 18 carat gold cup this year.

It was a very successful day and the community would like to thank all those involved in the organisation of the day—particularly Colleen McPherson who prepared the successful submission on our behalf.

The Fisher family prepared a display of racing memorabilia for those attending both the afternoon and evening sessions. Fisher's horse Prince Camillo was entered into the Melbourne Cup in 1965 and 1967 and was placed a creditable 5th and 6th.

During the afternoon in Brim, a Fashions on the Field was held and the winners were Judith Crouch, Kira Higgins (equal) and Russell Smartt.

A new feature in the Melbourne Cup tour this year was that each rural and regional destination would be allocated a barrier draw to be entered into a sweep. Keedie Wardle was given the honour of drawing our barrier number, which was 23.

BOYCE'S JOKE OF THE MONTH

A young lady is sunbathing on the hotel roof. Seeing she is alone, she discreetly peels off her swimsuit.

In minutes, the manager rushes up, "Madam please cover yourself!"

"But there is no-one else here," she complains, "And I'm lying face down."

"I know," says the manager, "But you're on the dining room skylight!"
