

Thunderbolt™ 3: 4/8/16-Bay RAID Storage Solution Showcase Available for ODM and Channel Resellers

Visit us at Booth # SL12517 South, Lower Exhibit Hall
April 18 – 21, 2016

HighPoint to Showcase Thunderbolt™ 3 Storage Solutions at NAB 2016

For the past two decades, HighPoint has delivered industry proven RAID Technology, Storage Solutions, I/O Connectivity Controllers, and Devices to Fortune 500 Corporations, Professional Application Providers & individual enthusiasts. We manufacture an extensive range of Storage & Connectivity solutions for Thunderbolt™, SAS, SATA & USB interfaces, at the industry's best cost-performance values.

At NAB 2016, we will be proudly presenting the industry's most comprehensive Thunderbolt™ 3 RAID Storage Solution showcase for ODM Customers and professional Resellers. In addition, we will be introducing NVMe RAID and PCIe 3.0 Generation RAID storage controllers for industrial PC applications.

Stop by and visit us at Booth SL12517, South Lower Exhibit Hall, and be sure to register for our daily giveaways throughout NAB2016!

Upcoming RocketStor Thunderbolt™ 3 Storage Products

We are proud to introduce our new line of Thunderbolt™ 3 RAID Enclosure products. The RocketStor 6600 series represents the industry's most comprehensive and versatile Thunderbolt™ 3 RAID Storage Solutions, and are designed to meet the performance, bulk capacity and budget requirements of professional applications.

RocketStor 6614V – 4-Bay Tower RAID Enclosure delivers the industry most affordable Thunderbolt™ 3 RAID Storage solutions.

RocketStor 6618A – 8-Bay Tower RAID Enclosure delivers the industry's most affordable Thunderbolt™ 3 Hardware RAID Storage solutions.

RocketStor 6674A – 16-Bay Rackmount RAID Enclosure Solution delivers up to 160TB of storage.

Upcoming RocketRAID PCIe 3.0 Generation RAID Controllers

For 2016, HighPoint has expanded our award winning, industry leading range of RocketRAID HBA's with PCIe 3.0 host connectivity, blazing fast 12Gb/s transfer rates, and the industry's first PCIe 3.0 x16 / NVMe RAID controller.

RocketStor 3740A – 16x 12G SAS/SATA PCIe 3.0 x8 lane RAID Controller; supports RAID 0, 1, 5, 10, 50 and JBOD solutions for Window, Mac OS X, Linux and FreeBSD Storage platforms.

RocketStor 3830A – 3x PCIe 3.0 x4 NVMe and 8x SAS/SATA PCIe 3.0 x16 lane controller; supports NVMe RAID solution packages for Window and Linux storage platforms.

Daily Thunderbolt™ Product Giveaway!

Twice Daily! 04/18 through 04/20

11.30am and 3.30pm

Be sure to stop by Booth SL12517!

Schedule Meetings with our Onsite Experts

HighPoint's experienced Project Sales and Engineering representatives will be onsite to assist you throughout NAB2016. Interested parties are encouraged to schedule meetings with HighPoint staff to discuss new project opportunities.
