

## **HighPoint Launches Turnkey 8-Bay RAID 5 Storage for Thunderbolt™ 3 Connectivity**

January 2018 – HighPoint is proud to launch the rDrive 6628 Series - our first Turnkey 8-Bay RAID Storage Solution for professionals that need high-speed Thunderbolt™ 3 storage ready for a Mac or Windows platform, right out of the box! rDrive 6628 RAID storage units are the easiest way to add professional grade, pre-configured mass storage with industry proven data protection and transfer performance. Each rDrive 6628 is a complete, turnkey external storage device that is preformatted for Windows or macOS, delivers 16 to 96TB of capacity, and can be easily installed into any Mac or PC platform with Thunderbolt™ 3 connectivity.

### **HighPoint rDrive Thunderbolt™ 3 Turbo RAID Storage Series**

You can now take advantage of high-performance Thunderbolt™ 3 technology with a Premium Turbo RAID feature set for the price of entry level backup solution. rDrive 6628T storage units are available for both macOS and Windows platforms - rDrive 6628TM preconfigured RAID 5 storage for Mac, and rDrive 6628TW preconfigured RAID 5 solutions for Windows. The rDrive 6628TM/TW delivers superior data security and outstanding transfer performance in a compact, turnkey, out of the box ready solution that can be easily connected to any Mac platform with Mac OS 10.10 or later, or PC running Windows 8 or later, that has a Thunderbolt™ 3 port. Armed with 16 to 96TB of pre-configured RAID storage, rDrive 6628T storage units can accommodate any budget and capacity requirement.

rDrive 6628T RAID storage is powered by our industry proven Turbo RAID technology, Thunderbolt™ 3 40Gb/s connectivity, and is available with up to 96TB of capacity; ideal for high-speed backup solutions, archiving applications and medial libraries. The ability to configure redundant RAID 5, 6 and 50 arrays adds an extra layer of data protection for securing critical assets.

### **HighPoint rDrive Thunderbolt™ 3 Hardware RAID Class Storage Series**

The rDrive 6628A Series is available for both macOS (rDrive 6628AM) and Windows (rDrive 6628AW). rDrive 6628AM/AW storage units employ our industry-proven Hardware RAID stack to deliver professional grade, pre-configured Thunderbolt™ 3 40Gb/s RAID storage for multi-tasking workflows. From streaming & editing, through the backing up 4K video, all can be done simultaneously! The robust, compact tower form factor is available with 32 to 96TB of storage capacity, and can be easily connected to any Mac system running macOS 10.10 or later, or PC running Windows 8 or later, that has a Thunderbolt™ 3 port. The dedicated hardware RAID engines and integrated cache was designed to accommodate storage applications that require maximum sustained transfer performance such as media production, development and streaming applications. Each rDrive 6628AM/AW storage unit is shipped pre-configured as a RAID 5, with optional support for hardware RAID 0, 1, 6, 10, 50 & JBOD.

### **rDrive Manager - Quick, Intuitive RAID Management**

rDrive Manager's user-friendly, web-based management interface allows novices and experts alike, to quickly and easily monitor, maintain and troubleshoot RAID your RAID arrays from a single, unified software suite. Advanced Management Features allow customers to configure different RAID levels, including multi-array configurations. SHI (Storage Health Inspector) features integrated SMART support, which allows experienced users monitor the physical health of each individual hard drive via real-time updates, and archive past activity using the event log. Customers can also schedule maintenance sessions to verify disk integrity, and enable Email notification to inform one or more users of changing storage conditions while outside of the work environment.

## Pricing and Availability

rDrive 6628 Series RAID storage will become available in January 2018, direct from HighPoint and select North American Retail and Distribution partners.

<b>rDrive 6628AM Hardware RAID Storage for Mac</b>	<b>North American MSRP (USD)</b>
rDrive 6628AM-32T (32TB Capacity)	\$2,999.00
rDrive 6628AM-48T (48TB Capacity)	\$3,999.00
rDrive 6628AM-64T (64TB Capacity)	\$4,999.00
rDrive 6628AM-80T (80TB Capacity)	\$6,499.00
rDrive 6628AM-96T (96TB Capacity)	\$7,999.00

<b>rDrive 6628AW Hardware RAID Storage for Windows</b>	<b>North American MSRP (USD)</b>
rDrive 6628AW-32T (32TB Capacity)	\$2,999.00
rDrive 6628AW-48T (48TB Capacity)	\$3,999.00
rDrive 6628AW-64T (64TB Capacity)	\$4,999.00
rDrive 6628AW-80T (80TB Capacity)	\$6,499.00
rDrive 6628AW-96T (96TB Capacity)	\$7,999.00

<b>rDrive 6628TM RAID Storage for Windows</b>	<b>North American MSRP (USD)</b>
rDrive 6628TM-16T (16TB Capacity)	\$1,799.00
rDrive 6628TM-32T (32TB Capacity)	\$1,999.00
rDrive 6628TM-32T (32TB Capacity)	\$2,499.00
rDrive 6628TM-48T (48TB Capacity)	\$3,499.00
rDrive 6628TM-64T (64TB Capacity)	\$4,499.00
rDrive 6628TM-80T (80TB Capacity)	\$5,999.00
rDrive 6628TM-96T (96TB Capacity)	\$7,499.00

<b>rDrive 6628TM RAID Storage for Windows</b>	<b>North American MSRP (USD)</b>
rDrive 6628TW-16T (16TB Capacity)	\$1,799.00
rDrive 6628TW-32T (32TB Capacity)	\$1,999.00
rDrive 6628TW-32T (32TB Capacity)	\$2,499.00
rDrive 6628TW-48T (48TB Capacity)	\$3,499.00
rDrive 6628TW-64T (64TB Capacity)	\$4,499.00
rDrive 6628TW-80T (80TB Capacity)	\$5,999.00
rDrive 6628TW-96T (96TB Capacity)	\$7,499.00

## About HighPoint Technologies

HighPoint was founded in 1995. For over 20 years, we've dedicated ourselves towards the design, manufacture and deployment of quality RAID HBA's and RAID Storage Management Solutions. Our devoted team of experienced hardware and software engineers bring years of Storage RAID technology expertise to NVMe, SAS, SATA, Thunderbolt™ and USB storage and connectivity applications.

HighPoint strives to bring high-performance, quality storage and connectivity solutions to the marketplace at the industry's best prices. We firmly believe that you do not have to sacrifice performance, versatility or reliability for affordability.
