

## **Sec. 204. Election of City Council Members; Redistricting.**

(a) **Redistricting by Ordinance.** Every ten years, the Council shall by ordinance redraw district lines to be used for all elections of Council members, including their recall, and for filling any vacancy in the office of member of the Council, after the effective date of the redistricting ordinance. Districts so formed shall each contain, as nearly as practicable, equal portions of the total population of the City as shown by the Federal Census immediately preceding the formation of districts.

(b) **Redistricting Commission.** There shall be a Redistricting Commission to advise the Council on drawing of Council district lines. The Commission members shall be appointed in the following manner: one by each Council member except that the Council President shall appoint two members, three by the Mayor, one by the City Attorney, and one by the Controller. No City officer or employee shall be eligible to serve on the Commission. The Redistricting Commission shall appoint a director and other personnel, consistent with budgetary approval, which positions shall be exempt from the civil service provisions of the Charter.

(c) **Redistricting Process.** The Redistricting Commission shall be appointed no later than the date by which the Census Bureau is to release decennial census data. A new Commission shall be appointed to advise the Council prior to each subsequent redistricting. The Commission shall begin the redistricting process at any time after appointment, but no later than June 1, 2021, and each subsequent tenth anniversary of that date. The Commission shall seek public input throughout the redistricting process. The Commission shall present its proposal for redistricting to the Council no later than a date prescribed by ordinance.

The Council shall adopt a redistricting ordinance no later than December 31, 2021, and each subsequent tenth anniversary of that date. Nothing in this section shall prohibit the Council from redistricting with greater frequency provided that districts so formed each contain, as nearly as practicable, equal portions of the total population of the City as shown by the Federal Census immediately preceding the formation of districts or based upon other population reports or estimates determined by the Council to be substantially reliable.

(d) **Criteria for Redistricting.** All districts shall be drawn in conformance with requirements of state and federal law and, to the extent feasible, shall keep neighborhoods and communities intact, utilize natural boundaries or street lines, and be geographically compact.

(e) **Effect of Redistricting on Incumbents.** No change in the boundary or location of any district by redistricting shall operate to abolish or terminate the term of office of any member of the Council prior to expiration of the term of office for which the member was elected.

(f) **Annexation or Consolidation.** Any territory annexed to or consolidated with the City shall, prior to or concurrently with completion of the proceedings therefor, be added to an adjacent district or districts by the Council by ordinance, which addition shall be effective upon completion of the annexation or consolidation proceedings notwithstanding any other provision of the Charter to the contrary.

(g) **Terms.** The terms of office for those members of the Council elected from odd-numbered districts shall commence during each fourth anniversary of the year 1997 and for the members elected from even-numbered districts shall commence during each fourth anniversary of the year 1999, except as provided in Section [205](#)(b) and until the year 2020. Beginning in the year 2020, the terms of office for those members of the Council elected from even-numbered districts shall commence during each fourth anniversary of the year 2020 and for the members elected from odd-numbered districts shall commence during each fourth anniversary of the year 2022.
