Wicksteed Park

Kettering

Situated in the heart of Northamptonshire, with excellent road links via the A14 and M1, Wicksteed Park's central location ensures a wide-reaching catchment area.

The Park

Wicksteed offers an unparalleled setting for the Woof Wag Festival, providing a unique and highly appealing proposition for sponsors and stall holders. This isn't just a festival; it is an opportunity to reach a vast and engaged audience in a venue with a century-long legacy of family-focused entertainment.

Entrance is Free

As a free-to-enter venue, Wicksteed naturally attracts a large and diverse crowd. Crucially, the festival will benefit from the park's extensive array of family attractions and parkland that spreads across 147 acres.

Camping

There are fabulous camping facilities available at the park. Exhibitors are able to book a camping pitch if you wish to make a weekend of it, and enjoy the other amenities at Wicksteed. Please ask us directly for a camping discount code to be used when booking.
