The Park and Stars

Bart and I went to the park after dark. We wanted to look at all of the pretty stars. Bart loves to park under the tree. We can see many of the stars under the old oak tree. The park is next to my dad's barn. We can see my dad out in the yard from here. He waves to us from afar. Bart gets out the sweet tea and the sweet tarts in the jar. We sat there looking at the pretty stars and thought about how beautiful they were. They looked like art in the sky.

1. When did Bart and the child go to the park?

2. Who could they see at the barn?

3. What did they go to the park to do?
