

Bridging
the
Technology
Gap

CLAUDE ZELLER, PH.D., LSMIEEE

INDEPENDENT RESEARCH PROFESSIONAL
CLAUDE ZELLER CONSULTING, LLC

ABOUT

Independent Consultant specializing in Physical Modeling of Sensors, Magnetic Materials, AIDC (Automatic Identification and Data Collection) Systems and Printing and Image Processing.

IEEE Oregon Consultants Network

Our mission is to make use of our knowledge of physics to understand, explore, and apply quantitative models of physical systems for the purpose of delivering high-quality technology solutions that enable managerial or technical decision-making on innovative and/or enhanced products.
