**Listening part four.**

You will hear someone talking. You will hear the person twice. Complete the information. Write short answers of one to three words. *(20 seconds)*

Good morning, Mark here - from the baker's.

I'm calling about the cake, you know, the birthday cake you ordered for your daughter. I just want to check everything.

Now, the name you want on it is Suzan, and that's with a 'Z' not an 'S', so that's S-U-Z-A-N.

I'm going to give you an extra candle, sometimes they break, so I'm giving you thirteen. OK? But I know she's going to be twelve.

Now colour. We usually do blue for boys and pink for girls, so I hope that's alright.

Her birthday's on Saturday so you can collect it on Friday, but please call me first, to let me know I've got everything right, on two-five-seven-eight-two-one. Bye.

*(Wait 10 seconds before repeating.)*

You now have 30 seconds to read through and check your answers.

That is the end of Part Four.

**You now have one hour and twenty minutes to complete the rest of the paper.**
