

MY GOAL

40 BAGS IN 40 DAYS

A challenge to remove 40 bags of stuff from 40 areas of your home in 40 days.

TIPS: Make a list of 40 areas in your home (remember a single cabinet can be an “area”). Include your entire home in the list. Each day select an area on the list with the goal of eliminating a bag (any size) of unneeded items. Throw away or donate all bags by the end of the month.

SUGGESTED GOAL PAIRINGS: Donate Clutter to Charity - Deep Cleaning Challenge

PROGRESS: For each area you remove a bag of unneeded items, color in the box.

A progress tracker for the "40 BAGS IN 40 DAYS" challenge. It features a green header with the title "40 BAGS IN 40 DAYS" in white, bold letters. Below the header is a large grid with two columns and 40 rows. The grid is designed for tracking progress, with each row representing a day and each column representing a different area of the home. The grid is currently empty, with only the header and the grid lines visible.
