

Grande

SPC COLLECTION

LI-HP03 Stone Anchor

The Grande collection replicates the beauty of natural wood with wood grain embossed decorative film on its surface. Its high-standard 20 mil wear layer provides essential scratch resistance, and its rigid core SPC material offers superior stability and a long-lasting lifespan. The Grande collection has attached acoustic padding that works as a sound suppressant and is essential for shock absorption. The planks are made from 100% eco-friendly ingredients and are entirely formaldehyde free.
