

Proposition 65 Warning

CALIFORNIA RESIDENTS – Proposition 65 Warning

California's Proposition 65, also called the Safe Water Drinking Act and Toxic Enforcement Act is a right to know law enabling California residents to make informed decisions to protect themselves from chemicals known to cause cancer, birth defects, or other reproductive harm.

Belwith Keeler Décor Solutions has chosen to provide a warning based on our knowledge relating to the presence of one or more listed chemicals without attempting to evaluate the level of any exposure. The level of exposure for our products may be negligible or well within the "no significant risk level". However, to uphold California residents right to make informed decisions, we have decided to place the following Proposition 65 warning on this product.

WARNING: This product can expose you to chemicals including lead, nickel or chrome, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to: P65Warnings.ca.gov
