Copies 91 Total copies, 61 Copies are in, 30 Copies are out.

Shelf List

Add To Favourites

When people look at Melissa, they think they see a boy named George. But Melissa knows she's a girl. Melissa thinks she'll have to keep this a secret. Her class play is going to be Charlotte's Web. Melissa really, really, really wants to say she can't even try out for the part ... because she's a boy. So she comes up with a plan. Not just so she can be Charlotte -- but so she can be George.

Eleven-year-old Rick Ramsey has generally gone along with everybody, but he is increasingly uncomfortable with his father's jokes about girls, and his mother. In middle school he discovers the Rainbow Spectrum club, where kids can express themselves -- and maybe among them he can find new friends. Rick just has to opt out of sex altogether.

## Sex is a funny word

[Rate This Title](#)

Copies: 5 Total copies, 5 Copies are in, 0 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist

[Shelf List](#)

[Add To Favourites](#)

"In 2014, Maia Kobabe, who uses e/ir/eyir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts er journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to er family what it means to be

Add To Favourites

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

## All boys aren't blue : a memoir-manifesto

Rate This Title

Copies 2 Total copies, 1 Copies are in, 1 Copies are out.

Shelf List

Add To Favourites

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

### Rick

Rating: ★★★★★ (3 Ratings) [Rate This Title](#)

Copies: 106 Total copies, 64 Copies are in, 42 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex, but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves -- and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

The other boy

Rating: ☆☆☆☆ (1 Ratings) Rate This Title

Copies: 102 Total copies, 83 Copies are in, 19 Copies are out.

Shelf List

Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

**Gender : a graphic guide**  
By Barker, Meg-John, 1974- Scheele, Julia  
2019, Adult, Icon Books Ltd  
Call No: 305.3 BAR  
Availability: 2 of 2 At Location(s)

**Summary Note**  
"An essential comic-book journey from the creators of Queer: A Graphic History that will change the way you think about gender. Is masculinity 'toxic'? Why are public toilets such a political issue? How has feminism changed the available gender roles - and for whom? Why might we all benefit from challenging binary thinking about sex/gender? In this unique illustrated guide, Meg-John Barker and Jules Scheele travel through our shifting understandings of gender across time and space - from ideas about masculinity and femininity, to non-binary and trans genders, to intersecting experiences of gender, race, sexuality, class, disability, and more. Tackling current debates and tensions, which can divide communities and even cost lives, Barker and Scheele look to the past and the future to explore how we might all approach gender in more caring and celebratory ways."--Back cover.

**Gender : your guide : a gender-friendly primer on what to know, what to say, and what to do in the new gender culture**  
By Airon, Lee  
Adolescent  
Call No: 305.3 AIR  
Availability: 109 of 119 At Location(s)

**Summary Note**  
From the differences among gender identity, gender expression, and sex, to the use of gender-neutral pronouns like singular they/them, to thinking about your own participation in gender, Gender: Your Guide serves as a warm, inviting guide to a complicated arena (The Globe and Mail, Toronto). Professor and gender diversity advocate Lee Airon, PhD, explains how gender works in everyday life, how to use accurate terminology to refer to transgender, non-binary, and/or gender non-conforming individuals, and how to ask when you aren't sure what to do or say. It provides the information you need to talk confidently and compassionately about gender diversity, whether simply having a conversation or going to bat as an advocate.

Adolescent, Seal Press Call No: 306.768 GEN Availability: 1 of 1 At Location(s)</p>	<p><b>Summary Note</b></p> <p>"In the fifteen years since the release of <i>Gender Outlaw</i>, Kate Bornstein's groundbreaking challenge to gender ideology, transgender narratives have made their way from the margins to the mainstream. Today's transpeople, genderqueers, and other sex/gender radicals are writing a drastically new world into being. <i>Gender Outlaws</i>, edited by the original gender outlaw, Bornstein, together with writer, raconteur, and theater artist S. Bear Bergman, collects and contextualizes the work of this generation's trans and genderqueer forward thinkers -- new voices from the stage, on the streets, in the workplace, in the bedroom, and on the pages and websites of the world's most respected news sources. <i>Gender Outlaws</i> includes essays, commentary, comic art, and conversation from a diverse group of trans-spectrum people who live and believe in barrier-breaking lives." -- Publisher description.</p> <p>Share Shelf List Add To Favourite Rate This Title</p>
<input type="checkbox"/> 	<p><b>Gender queer : a memoir</b></p> <p>By Kobabe, Maia Kobabe, Phebe 2019. Adolescent, Lion Forge, LLC ; Call No: 305.3 KOB Availability: 1 of 1 At Location(s)</p>	<p><b>Summary Note</b></p> <p>"In 2014, Maia Kobabe, who uses e/em/ir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, <i>Gender Queer</i> is here. Maia's intensely cathartic autobiography charts er journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Starled as a way to explain to er family what it means to be nonbinary and asexual, <i>Gender Queer</i> is more than a personal story: it is a useful and touching guide on gender identity--what it means and how to think about it--for advocates, friends, and humans everywhere."-- Amazon.</p> <p>Share Shelf List Add To Favourite Rate This Title</p>

<input type="checkbox"/> 	<p><b>Gender trouble : feminism and the subversion of identity</b></p> <p>By Butler, Judith, 1956- 1999. Routledge Call No: 305.3 BUT Edition: 10th anniversary ed. Availability: 0 of 1 At Location(s)</p>	<p><b>Summary Note</b></p> <p>Since its publication in 1990, <i>Gender Trouble</i> has become one of the key works of contemporary feminist theory, and an essential work for anyone interested in the study of gender, queer theory, or the politics of sexuality in culture. As Judith Butler writes in the major essay that stands as preface to the new edition, one point of <i>Gender Trouble</i> was "not to prescribe a new gendered way of life, but to open up the field of possibility for gender." Widely taught, and widely debated, <i>Gender Trouble</i> continues to offer a powerful critique of heteronormativity and of the function of gender in the modern world. Judith Butler's new preface situates <i>Gender Trouble</i> within the past decade of work on gender, and counters some common misconceptions about the book and its aims.</p> <p>Share Shelf List Add To Favourite Rate This Title</p>
<input type="checkbox"/> 	<p><b>Genderize</b></p> <p>By Joynt, Chase 1981- Canadian Broadcasting Corporation General Call No: eVideo Connect to resource Metadata Source: CBC Curio Series Title: CBC Short Docs</p>	<p><b>Summary Note</b></p> <p>In 2012, transgender filmmaker Chase Joynt sat down with Benton (age 12), Madeleine (10) and Dexter (6) to talk about gender, puberty, school and parents. Four years later, he revisits the kids to see what's changed -- but not before the kids flip the camera on the adults to ask some questions of their own. The result is a poignant, hilarious and urgent call for a life where family matters, gender is fluid, and everyone gets to live a life where they can choose their own adventure.</p> <p>Share Add To Favourite Rate This Title</p>
<input type="checkbox"/> 	<p><b>The gender book</b></p> <p>By Hill, Mel Reiff Mays, Jay 2013. Pre-adolescent, Marshall House Press Call No: 306.76 HIL Availability: 1 of 1 At Location(s)</p>	<p><b>Summary Note</b></p> <p>"This project started in a cute grey house in Houston, Texas on Marshall street in the part of town called Montrose. The community on Marshall street was a blend gender expressions, from the fabulous drag kings to the androgynous couch-craher, to the soft-butch art teacher, the princess labrador retriever named Jack, little alpha pup named Noah, and a pair of ferrets. These individuals first helped educate each other, and then themselves, to learn more of what it means to live and express and perform one's gender role. The more they learned, the more they wanted to share with everyone else. They saw a need around them in transgender friends who wanted more options on their census forms, and transsexual lovers who had to educate their own therapists, and parents wanting to know how to be supportive of their gender-variant kids. Their solution: the <i>Gender book</i>, an illustrated book- similar to educational children's books- with no age limit. All hand-drawn graphics and lots of color. It's about 90 pages long, and will be readable in one sitting." -- From the project website.</p> <p>Share Shelf List Add To Favourite Rate This Title</p>
<input type="checkbox"/> 	<p><b>The Gender Gap in Our Schools, 2003</b></p> <p>By Canadian Broadcasting Corporation General Call No: eVideo Connect to resource Metadata Source: CBC Curio - News in Review Series Title: News in Review</p>	<p><b>Summary Note</b></p> <p>In schools across Canada girls are outperforming boys. This has led to shifting enrollment patterns at universities: women now make up more than 50 per cent of students in overall enrollment and in professional programs such as law and medicine. Women are also making huge gains in engineering and the sciences, once almost exclusively male domains. Experts say the reason for this comes down mainly to reading. Girls today read more and with better comprehension than boys. The challenge for educators is to engage boys in reading. One way is to provide more male role models in schools by convincing more men to become teachers. Another method that has had some success is single-sex classrooms that provide reading materials particularly suited to the interests of boys.</p> <p>Share Add To Favourite Rate This Title</p>

<input type="checkbox"/> 	<p><b>Beyond Male and Female : the gender identity spectrum</b>            By Walker, Anita R            2020, <i>Adolescent, Mason Crest</i>;            Call No: 306.768 WAL            Availability: 1 of 1 At Location(s)            Series Title: LGBTQ life</p>	<p><b>Summary Note</b>            Gender identity helps define who each of us is, but it's also complicated—especially for those who do not identify as male or female but as something more fluid. <i>Beyond Male and Female: The Gender Identity Spectrum</i> carefully explains terminology, the reality of living beyond traditional genders, and the real-life experiences of genderqueer people. Finding one's true self and living that truth openly are not always easy. But with the right tools, the path is easier. Understanding traditional male and female stereotypes helps genderqueer students and their allies to advocate and educate people about gender identities that are neither male nor female but infinitely more complex and beautiful. There's nothing new about people with gender fluid identities—history is full of examples. Today, however, people with non-binary genders are increasingly able to live openly and honestly as their true selves. This book points the way.</p> <p> <a href="#">Share</a> <a href="#">Shelf List</a>  <a href="#">Add To Favourite</a>  <a href="#">Rate This Title</a> </p>

In both cases, as Ann Travers shows in this fascinating account of transgender kids, these are often more than just wardrobe choices. From very early ages these children find themselves to be different from the sex category that was assigned to them at birth. How they make their voices heard to their parents and friends, in schools, in public spaces, and through the courts is the focus of this remarkable and groundbreaking book. Based on over five years of research in Canada and the U.S., and interviews with trans kids and their parents, <i>The Trans Generation</i> offers a rare look into what it is like to grow up as a transgender child. Illuminating the day-to-day realities of trans kids who regularly experience crisis as a result of the many ways traditional sex categories regulate their lives.</p>	<a href="#">📖 Shelf List</a> <a href="#">★ Add To Favourite</a> <a href="#">📄 Rate This Title</a>

<input type="checkbox"/>	<p><b>Social Identity, Personality &amp; Gender</b> By Infobase Coast Learning Systems (Firm) <i>General, Coast Learning Systems</i> Call No. eVideo Connect to resource Metadata Source: Learn360 - WRDSB</p>	<p><b>Summary Note</b> One of the universal questions that people ask is 'Who am I?' The answer is complex and begins with enculturation. Enculturation influences how you think, feel, and behave and it starts at birth. It begins with being given a name. Naming ceremonies vary from culture to culture, but what you are called is an important device for self definition and it also allows individuals to take their place within their group's culture. As children develop physically, they also develop emotionally and psychologically. One aspect of this maturation is the development of self-awareness. This is important for the individual and also for the entire community. Not only does everyone have a name, but individuals have their own personalities. It is now recognized that one's personality is the product of both enculturation and one's own genetic make-up. When studying how personality develops, we cannot ignore the role that sex and gender may play nor can we overlook the biological factors that may influence and differentiate male and female behaviors. Determining whether gender roles influence personality and social identity or vice versa may be difficult, but we know that gender roles vary greatly from culture to culture. It is also recognized that every culture has individuals who are transgenders-people who do not fall neatly within the proscribed male and female categories. Western cultures prefer to think exclusively in male and female gender roles, but many other cultures have created a 'third gender' or even a 'fourth gender' in which to place these individuals. As individuals, we not only need to know who we are but also how we fit in and belong to the culture we were born into. Sometimes it gets complicated.</p>	<a href="#">📖 Shelf List</a> <a href="#">★ Add To Favourite</a> <a href="#">📄 Rate This Title</a>

	<p>By Flynn, Karen Coen c2011, <i>Adolescent, University of Toronto Press</i> Call No: 305.48 FLY Availability: 1 of 1 At Location(s) Series Title: Studies in gender and history Volume: 37</p>	<p><b>Summary Note</b> "Moving Beyond Borders is the first book-length history of Black health care workers in Canada, delving into the experiences of thirty-five postwar-era nurses who were born in Canada or who immigrated from the Caribbean either through Britain or directly to Canada. Karen Flynn examines the shaping of these women's stories from their childhoods through to their roles as professionals and community activists. Flynn interweaves oral histories with archival sources to show how these women's lives were shaped by their experiences of migration, professional training, and family life. Theoretical analyses from post colonial, gender, and diasporic Black Studies serve to highlight the multiple subjectivities operating within these women's lives. By presenting a collective biography of identity formation, <i>Moving Beyond Borders</i> reveals the extraordinary complexity of Black women's history."--pub. desc.</p>	<p><a href="#">Add To Favourite</a> <a href="#">Rate This Title</a></p>

	<b>Tomboy survival guide</b> By Coyote, Ivan. 1969-2016. Pre-adolescent. Arsenal Pulp Press Call No: EBOOK Connect to resource. Metadata Source: Overdrive	<b>Summary Note</b> Stonewall Book Award Honor Book winner Ivan Coyote is a celebrated storyteller and the author of ten previous books, including Gender Failure (with Rae Spoon) and One in Every Crowd, a collection for LGBT youth. Tomboy Survival Guide is a funny and moving memoir told in stories, in which Ivan recounts the pleasures and difficulties of growing up a tomboy in Canada's Yukon, and how they learned to embrace their tomboy past while carving out a space for those of us who don't fit neatly into boxes or identities or labels Ivan writes movingly about many firsts: the first time they were mistaken for a boy; the first time they purposely discarded their bikini top so they could join the boys at the local swimming pool; and the first time they were chastised for using the women's washroom. Ivan also explores their years as a young butch, dealing with new infatuations and old baggage, and life as a gender-box-defying adult, in which they offer advice to young people while seeking guidance from others. (And for tomboys in training, there are even directions on building your very own unicorn trap.) Tomboy Survival Guide warmly recounts Ivan's adventures and mishaps as a diffident yet free-spirited tomboy, and maps their journey through treacherous gender landscapes and a maze of labels that don't quite stick, to a place of self-acceptance and an authentic and personal strength. These heartfelt, funny, and moving stories are about the culture of difference—a "Guide" to being true to one's self.	<a href="#">Share</a> <a href="#">Add To Favourite</a> <a href="#">Rate This Title</a>

	<b>Roshan Jamal : Faith without Boundaries (Muslim)-Mother Tongue</b> By Infobase Susan Poizner (Firm) 2006. General. Susan Poizner Call No: eVideo Connect to resource Metadata Source: Learn360 - Core Series Title: Mother Tongue	<b>Summary Note</b> Roshan Jamal grew up in a traditional Muslim family in India. When she settled in Toronto with her husband Hussein she had difficulties finding a mosque where women and men were treated equally. Then Roshan met a philanthropist called Hassanali Lakhani who yearned to establish an Islamic community centre where Muslims could practice Islam as it was practiced at the time of the Prophet Mohammed: with a stress on justice and gender equality. It was a struggle, but by 2004, the two would open the doors to the innovative Noor Cultural Centre in Toronto where women and men could pray and study together in an open and democratic environment. The centre has grown increasingly popular with Muslims of all cultural backgrounds and sects.	<a href="#">Share</a> <a href="#">Add To Favourite</a> <a href="#">Rate This Title</a>
	<b>How Women in the Mideast Are Advancing-Bloomberg QuickTakes</b> By Infobase Bloomberg (Firm) 2018. General. Bloomberg Call No: eVideo Connect to resource Metadata Source: Learn360 - Core Series Title: Bloomberg QuickTakes	<b>Summary Note</b> In 2018, Saudi Arabia ended its ban on women drivers, marking a key victory for women's rights. Many question whether this was done more for reasons of economics than of gender equality. Since the Arab Spring erupted in the early 2010s, women across the Middle East have been demanding greater rights and opportunities. This Bloomberg QuickTake examines the recent history and current state of gender relations in the region.	<a href="#">Share</a> <a href="#">Add To Favourite</a> <a href="#">Rate This Title</a>

Depicting her experiences from coming out right through to gender reassignment surgery, Lily's story provides vital advice on the social, emotional and medical aspects of transitioning and will empower anyone questioning their gender</p>   | <p>Shelf List<br/>Add To Favourite<br/>Rate This Title</p> |
|  | <p><b>Woman enough : how a boy became a woman and changed the world of sport</b><br/>By Worley, Kristen Schneller, Johanna<br/>2019, Adolescent, Random House Canada<br/>Call No: 796.6 WOR<br/>Availability: 3 of 3 At Location(s)</p>                            | <p><b>Summary Note</b><br/>From a high-performance Canadian cyclist and transgender woman comes a powerful and inspiring story of self-realization and legal victory that upends our basic assumptions about sexual identity. Kristen Worley, a world-class cyclist, aspired to compete in the 2008 Beijing Olympics. Having begun her transition in 1998, she became the first athlete in the world to submit to the International Olympic Committee's Stockholm Consensus, a gender verification process that would allow her to engage in sport as the person she knew she was meant to be. An all-male jury determined she fit their biological criteria. Three decades earlier, Kristen was Chris, a male baby adopted by an upper-middle-class Toronto family. From early childhood, Chris felt ill-at-ease as a boy and like an outsider in his conservative family. An obsession with sports - running, waterskiing, and cycling - helped him survive what he would eventually understand to be a profound disconnect between his anatomical sexual identity and his gender identity.</p>   | <p>Shelf List<br/>Add To Favourite<br/>Rate This Title</p> |

|  | <p><b>The 57 bus : a true story of two teenagers and the crime that changed their lives</b><br/>By Slater, Dasha Miles, Robin<br/>2018, Pre-adolescent, Recorded Books, Incorporated<br/>Call No: AUDIO<br/>Connect to resource<br/>Metadata Source: Overdrive</p> | <p><b>Summary Note</b><br/>This riveting nonfiction book for teens about race, class, gender, crime, and punishment tells the true story of an agender teen who was set on fire by another teen while riding a bus in Oakland, California. One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The case garnered international attention, thrusting both teenagers into the spotlight.</p>   | <p>Add To Favourite<br/>Rate This Title</p>                |

|  | <p><b>Some assembly required : the not-so-secret life of a transgender teen</b><br/>By Andrews, Arin<br/>2014, Adolescent, Simon and Schuster Books for Young Readers<br/>Call No: EBOOK<br/>Connect to resource<br/>Metadata Source: Overdrive</p>                | <p><b>Summary Note</b><br/>Seventeen-year-old Arin Andrews shares all the hilarious, painful, and poignant details of undergoing gender reassignment as a high school student in this winning first-of-its-kind memoir. Now with a reading group guide and an all-new afterword from the author! In this revolutionary first-of-its-kind memoir, Arin Andrews details the journey that led him to make the life-transforming decision to undergo gender reassignment as a high school junior. In his captivatingly witty, honest voice, Arin reveals the challenges he faced as a boy in a girl's body, the humiliation and anger he felt after getting kicked out of his private school, and all the changes-both mental and physical-he experienced once his transition began. Some Assembly Required is a true coming-of-age story about knocking down obstacles and embracing family, friendship, and first love. But more than that, it is a reminder that self-acceptance does not come ready-made with a manual and spare parts. Rather, some assembly is always required.</p>   | <p>Add To Favourite<br/>Rate This Title</p>                |
|  | <p><b>The transgender child : a handbook for families and professionals</b><br/>By Brill, Stephanie A<br/>2006, Adolescent, Cleis Press<br/>Call No: EBOOK<br/>Connect to resource<br/>Metadata Source: Overdrive</p>  | <p><b>Summary Note</b><br/>This comprehensive first of its kind guidebook explores the unique challenges that thousands of families face every day raising their children in every city and state. Through extensive research and interviews, as well as years of experience working in the field, the authors cover gender variance from birth through college. What do you do when your toddler daughter's first sentence is that she's a boy? What will happen when your preschool son insists on wearing a dress to school? Is this ever just a phase? How can you explain this to your neighbors and family? How can parents advocate for their children in elementary schools? What are the current laws on the rights of transgender children? What do doctors specializing in gender variant children recommend? What do the therapists say? What advice do other families who have trans kids have? What about hormone blockers and surgery? What issues should your college-bound trans child be thinking about when selecting a school? How can I best raise my gender variant or transgender child with love and compassion, even when I barely understand the issues ahead of us? And what is gender, anyway? These questions and more are answered in this book offering a deeper understanding of gender variant and transgender children and teens.</p> | <p>Add To Favourite<br/>Rate This Title</p>                |

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves. even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex. altogether.

[Add To Favourites](#)

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist

Copies: 1 Total copies, 1 Copies are in, 0 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

"In 2014, Maia Kobabe, who uses e/ir/m/ir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts er journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to er family what it means to be

Add To Favourites

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

## A quick & easy guide to queer & trans identities

Rate This Title

Copies: 2 Total copies, 2 Copies are in, 0 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

"Covering essential topics like sexuality, gender identity, coming out, and navigating relationships, this guide explains the spectrum of human experience through informative comics, interviews, worksheets, and imaginative examples. A great starting point for anyone curious about queer and trans life, and helpful for those already on their own journeys!"—Back cover.

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

#### Rick

Rating: ★★★★★ (3 Ratings) [Rate This Title](#)

Copies: 106 Total copies, 64 Copies are in, 42 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves. even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex, altogether.

### Rick

Rating: ★★★★★ (3 Ratings) [Rate This Title](#)

Copies: 106 Total copies, 64 Copies are in, 42 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex, but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves -- and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

The other boy

Rating: ☆☆☆☆ (1 Ratings) Rate This Title

Copies: 102 Total copies, 83 Copies are in, 19 Copies are out.

Shelf List

Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to tea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

"In 2014, Maia Kobabe, who uses e/er/air pronouns, thought that a comic of reading statistics would be the last autobiographical comic a would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to eir family what it means to be

The other boy

Rating: ☆☆☆☆ (1 Ratings) Rate This Title

Copies: 0 Total copies, 0 Copies are in, 0 Copies are out.

Shelf List Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex, altogether.

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

[Shelf List](#)

[Add To Favourites](#)

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves. even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex, altogether.

Shelf List Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

Add To Favourites

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

The glass castle : a memoir

Rate This Title

Copies: 44 Total copies, 41 Copies are in, 3 Copies are out.

Shelf List

Add To Favourites

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

"In 2014, Maia Kobabe, who uses e/ir/veir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts em journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to em family what it means to be

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

Rate This Title

Copies: 2 Total copies, 2 Copies are in, 0 Copies are out.

📖 Shelf List ⭐ Add To Favourites

When people look at Melissa, they think they see a boy. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte - but so everyone can know who she is, once and for all.

### Rick

Rating: ★★★★★ (3 Ratings) [Rate This Title](#)

Copies: 107 Total copies, 81 Copies are in, 26 Copies are out.

[Shelf List](#) [Add To Favourites](#)

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves, even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex, but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex altogether.

When people look at George, they think they see a boy. But she knows she's not a boy. She knows she's a girl. George thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. George really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, George comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

### Sex is a funny word

Rate This Title

Copies: 5 Total copies, 5 Copies are in, 0 Copies are out.

📖 Shelf List

★ Add To Favourites

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the 'facts of life' or 'the birds and the bees,' Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow-up to Lambda-nomineed What Makes a Baby, from sex educator Cory Silverberg and artist

## The other boy

Rating: ★★☆☆☆ (2 Ratings) Rate This Title

Copies: 102 Total copies, 98 Copies are in, 4 Copies are out.

📖 Shelf List

★ Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

## A quick & easy guide to they/them pronouns

Rate This Title

Copies: 6 Total copies, 5 Copies are in, 1 Copies are out.

[View Shelf List](#) [Add To Favourites](#)

Archie, a snarky genderqueer artist, is tired of people not understanding gender-neutral pronouns. Tristan, a cisgender dude, is looking for an easy way to introduce gender-neutral pronouns to his increasingly diverse workplace. The longtime best friends team up in this short and fun comic guide that explains what pronouns are, why they matter, and how to use them. They also include what to do if you make a mistake, and some tips-and-tricks for those who identify outside of the binary to keep themselves safe in this binary-focused world.

## All boys aren't blue : a memoir-manifesto

Rate This Title

Copies: 2 Total copies, 2 Copies are in, 0 Copies are out.

📖 Shelf List

★ Add To Favourites

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flex manifesting with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

## All boys aren't blue : a memoir-manifesto

Rate This Title

Copies: 2 Total copies, 2 Copies are in, 0 Copies are out.

📖 Shelf List

★ Add To Favourites

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

"In 2014, Maia Kobabe, who uses e/er/pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts em journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pag emears. Started as a way to explain to em family what it means to be

"This project started in a cute grey house in Houston, Texas on Marshall street in the part of town called Montrose. The community on Marshall street was a blend gender expressions, from the fabulous drag kings to the androgynous couch-crafter, to the soft-butch art teacher, the princess labrador retriever named Jack, little alpha pup named Noah, and a pair of ferrets. These individuals first helped educate each other, and then themselves, to learn more of what it means to live and express and perform one's gender role. The more they learned, the more they wanted to share with everyone else. They saw a need around them in transgender

Peola Breedlove, a young black girl, prays every day for beauty. Mocked by other children for the dark skin, curly hair, and brown eyes that set her apart, she yearns for the blond hair and blue eyes that she believes will allow her to "truly fit in." Yet as her dream grows more fervent, her life slowly starts to disintegrate in the face of adversity and strife.

## The other boy

Rating: ★ ★ ★ ☆ ☆ (2 Ratings) [Rate This Title](#)

Copies: 102 Total copies, 89 Copies are in, 13 Copies are out.

[Shelf List](#)[Add To Favourites](#)

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

[Shelf List](#)[Add To Favourites](#)

When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be Charlotte's Web. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part ... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

## Gender queer : a memoir

[Rate This Title](#)

Copies: 1 Total copies, 0 Copies are in, 1 Copies are out.

[Shelf List](#)

[Add To Favourites](#)

"In 2014, Maia Kobabe, who uses e/er/pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about sm. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to eir family what it means to be

### Rick

Rating: ★★★★★ (3 Ratings) [Rate This Title](#)

Copies: 0 Total copies, 0 Copies are in, 0 Copies are out.

Eleven-year-old Rick Ramsey has generally gone along with everybody, just not making waves. even though he is increasingly uncomfortable with his father's jokes about girls, and his best friend's explicit talk about sex; but now in middle school he discovers the Rainbow Spectrum club, where kids of many genders and identities can express themselves – and maybe among them he can find new friends and discover his own identity, which may just be to opt out of sex. altogether.

Shelf List

Add To Favourites

Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane's whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he's still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

Add To Favourites

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

The glass castle : a memoir

Rate This Title

Copies: 44 Total copies, 41 Copies are in, 3 Copies are out.

Shelf List

Add To Favourites

Jeannette Walls grew up with parents whose ideals and stubborn nonconformity were both their curse and their salvation. Hers is a story of triumph against all odds, but also a tender, moving tale of unconditional love in a family that despite its profound flaws gave her the fiery determination to carve out a successful life on her own terms.

[Shelf List](#)

[Add To Favourites](#)

In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys.

"In 2014, Maia Kobabe, who uses e/ir/veir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, Gender Queer is here. Maia's intensely cathartic autobiography charts er journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to er family what it means to be

"A comic book for kids that includes children and families of all makeups, orientations, and gender identities. Sex is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist
