

STRATFORD HISTORICAL SOCIETY

NEWS LETTER

September, 1961

To: the Members of the Stratford Historical Society.

The fall and winters seasons of the Stratford Historical Society are about to be launched after an unusually successful spring and summer. You will not want to miss the Annual Meeting of the Stratford Historical Society to be held at the Methodist Church Hall on Friday, September 22, at 8 P.M. At that time our members will have the privilege of hearing Mr. Stanley Sellick, Chairman of our Library Committee, speak on the treasures we have in the Museum library. Mr. Sellick is well acquainted with our books and manuscripts after having sorted and catalogued them over a period of three years.

Following Mr. Sellick's talk there will be the usual committee reports and the recommendation of the Nominating Committee for the election of officers, directors and standing committee chairmen for 1961-1962.

This will be the surprise of the evening! Mr. Fred Booth, our Curator, will be 80 years old on September 26. We propose to help him celebrate his birthday on September 22 after our Annual Meeting. The Executive Board of the Society has proposed that we attempt to raise \$80.00 as a birthday gift. If you would like to participate in this surprise gift, please send a small monetary contribution to Mr. Roy Sanborn, 66 Academy Hill Terrace, Stratford, before September 22.

We are looking forward to seeing you on Friday, September 22, Methodist Church Hall, 8 P.M.

Sincerely yours,

Donald Fowler
President
