Help Urgently Needed

Judson House is temporarily closed. We urgently need either a paid hostess to serve on Wednesdays, Saturdays and Sundays from 11:00 to 5:00, or enough volunteer hostesses to cover these three days continuously. If you can donate your time for any part of this, on a scheduled weekly or bi-weekly basis, please call Mrs. Cox, 378-4084 and tell her. Don't worry if you don't know the full story of the displays; Mr. Booth or others can brief you, and a hostess training session will be run soon. Mrs. Cox needs more names of volunteers; let's share the load and be able to re-open our museum so our Society can once again perform its function well.

Flea Market

We lucked out in spite of threatening weather. Net income, over \$1600, thanks to the terrific work of the many, many volunteers.

Dues

You'll be receiving your dues notices shortly. When Stan Johnson was president of the Society he once said, "Become a member for 500 years". The perpetual membership is still a good idea. In any case, our income remains constant and our expenses continue to increase, so if you can manage it, sign up for the \$10 annual membership.
