

# Kaysville Jr. Hi News

By CAMILLE LARSEN  
and  
JUDITH SPARKS

Our Pep club girls of the ninth grade at Kaysville Junior High School welcomed the shipment of their uniforms. Buchanan's Department Store was willing to take the order and be the head chief for selling the uniforms. The Pep club girls say thanks to Mrs. Eva Fryer and Mrs. Ann Buchanan for all their time and effort spent on the uniforms.

THE OUTFITS consist of a black A-framed skirt, a black long sleeved jacket, with red top-stitching and red buttons. Also, a white blouse with ruffles around the collar and wrist, and red canvas shoes.

To make our uniforms look

sharp as a thin edged razor, we have ordered pom poms which are to be of the shaker type, consisting of mixed red and white colors. On the back of the jackets will be a red and white "K", our school emblem.

THE PEP CLUB girls were their uniforms at the first game, Monday, Sept. 17 to help cheer the team on to victory with the Redmen of South Davis Junior High. Thanks to the Pep club girls, the Knights won their game. The girls have worn their uniforms to all the games since.

Officers of the Pep club are Sherrie Mills, president; Clothele Blotter, vice president; and Camille Larsen, secretary. These officers have the responsibility to write a Pep club constitution this year. A constitution is necessary in every school so that the members of the club have certain rules to follow in order to stay in the club as a member.

TRY-OUTS FOR the Pep club assembly were held Monday, Oct. 1 after school. The writers of the script for the assembly are Kaye Espenschied, Mary Ann Prigmore, Joan Rice, Shauna Hess, Kay Nielsen, and La Vone Passey. These girls are under the supervision of Mrs. Fryer, Mrs. Flandro, and Miss Knight. They hope the assembly will be ready to put before the student body Nov. 16.

Along with the advisors and officers of the Pep club this year, we hope to help bring forth a jollier school and more school spirit for the Mighty Knights!
