

## TOLMAN WINS AGAIN

Tolman Elementary School footballers took first place in Bountiful's flag football league again this year. Team members are: front, left to right, Gary Goodfellow, Douglas Headlee, John French, Robby Decker,

Joel Barton, David Crandall, Richard Hansen, Darrell Anderson and Neil Clark. Back, Bryce Cook, John Holbrook, Mike Omland, captain, John Lalli, Dennis James, Robby Hadley and Gary Ferrin.

Another successful flag football season has just ended. The program, which started three years ago under the direction of the Bountiful recreation department, has nearly doubled in size during that time.

BOYS OF 5TH and 6th grades from all parts of the city are eligible to take part. This year there were two leagues with

eight teams each, involving over 200 boys. Each team played seven league games and the winner of each league met to determine the champion.

The teams were so close that one league ended in a three-way tie for 1st place. Eventual winner of that league was Bountiful Elementary. It played the Browns from Tolman

Elementary in the championship.

THE BROWNS, for the second year in a row, won the game and the right to keep the traveling trophy for another year. If they can win it another year they will keep it at Tolman.

With only a week off after

the finish of flag football, the recreation department announced the beginning of the junior basketball program. So many boys were interested in playing basketball that two leagues were formed with ten teams in each league. These involve the same age groups as the flag football.
