

Topographic Profile Take Home Assignment

Due at the next lab meeting.

Please construct a topographic profile along the pink **A - A'** profile indicated on the Poly Canyon topographic map on the next page. Use some sort of graph paper so you can easily indicate the scale for each square/sub-division.

- **1 - 1** topographic profile
- **5 - 1** topographic profile (i.e. 5 times *vertical exaggeration*)

GEOL 241: Course Introduction → Poly Canyon Strat Walk (field lab activity)
