# 3D POOL

SCREEN SHOTS MAY VARY.

The first 3-dimensional computer Pool game that lets you view the table from almost *ANY ANGLE YOU CHOOSE!* Rotate and tilt the Pool table to set up your shot, then crack the cue ball into the pack. You've never seen anything like it!

- Stunningly realistic true to life 3D pool simulation.
- Awe-inspiring real-time rotating table.
- Super intelligent computer-controlled opponents.
- Delicate control of spin, swerve and power.
- All the fun of creating your own trick shots.
- Pit your wits against Maltese Joe — European Pool Champ!
