S P O R T S D R I V I N G

Mindscape and award winning developers DSI bring a new era of games to your home computer - with the 4D Sports series. Here the 4th Dimension is realism and the action is amazingly real.

4D Sports Driving lets you loose on the most amazing test track ever built in the fastest and best cars the world's motor industry have ever created. This is the ultimate proving ground where you can test these super cars to destruction - literally!

Take your pick from the mechanical stars of Road, Racing Circuit or Dirt Track including cars by Porsche, Ferrari, Lamborghini, Audi, Lancia and Honda. Put these power cars through their paces on stunts including the nerve-rackin' 360° loop the loop, the hair raisin' jumps, the breath takin' topsy

turny tunnels and the heart stoppin' pipe!

Without a doubt 4D Sports Driving gives you the best selection of supercars and stunt obstacles ever seen in a driving game!

4D Sports Driving presents you with a large selection of 'ready-to-race' tracks to really test your skills to the limit. In addition 4D Sports Driving gives you a comprehensive editor to create your own 'nightmare' track - which you can save for future use or challenge a friend with.
