Deposited in every BUREAUCRACY package: your BUREAUCRACY disk; an official letter from your boss; a credit card application form (in triplicate); a skinny pencil; a charter membership flyer for *Popular Paranoia Magazine*; and a helpful brochure from your bank.

## IMPORTANT!

*Our records show that you do not have a license to operate this software.*

*Normally, you would be required to complete a License Application Form and mail it (with proof of purchase) to our Licensing Department, and then wait the customary four to six months for processing.*

*Luckily, for your convenience, we have, at the last minute and at great expense, installed a remarkable new on-line electronic application form on this very disk, which will be processed by our modern 24-hour computer service moments after you fill it in.*

**BUREAUCRACY!** Everyone, at one time or another, feels bound up in an endless swathe of red tape. In *Bureaucracy*, best-selling humorist Douglas Adams draws on his own battles with beaudeadom to create a hilarious misadventure. You'll find yourself in the midst of a bureaucratic muddle so convoluted that you can't help but laugh.

You've just landed a great new job and moved to a spiffy house in a nice little town. You're even being sent to Paris this very afternoon for a combination training

seminar and vacation. What could possibly go wrong? The answer, of course, is everything. When the bank refuses to acknowledge your change-of-address form, you'll find yourself entangled in a series of bureaucratic mishaps that take you from the feeding trough of a greedy llama to the lofty branches of a tree deep in the Zalagasan jungle.

The distinctive humor that made *The Hitchhiker's Guide to the Galaxy* a runaway success will keep you in stitches as you confront a series of bureaucratic puzzles and experience the thrill of outsmarting the powers that be.
