## CANNON FODDER WAR HAS NEVER BEEN SO MUCH FUN....

Don't wait 'til you see the whites of their eyes. Don't kid yourself it will be over by Christmas.

Don't try to shut out the screams.

And don't forget to wash your hands afterwards.

Determine the behaviour of your troopers - encourage them to run around in circles, shoot anything that moves, throw grenades, shoot bazookas, drive Tanx, fly Choppas, split up and do their own thing, and die.

But please don't leave the screaming wounded to die.

Bite the bullet, so to speak, and do the decent thing: finish them off!

## LA GUERRA NON E MAI STATA COSI DIVERTENTE....

Non aspettare di poterli guardare nelle palle degli occhi.

Non pensare che tutto finirà prima di Natale.

Non cercare di coprire le urla.

E dopo non ti dimenticare di lavarti le mani.

Le truppe seguiranno solamente il loro capo ma potranno essere spronate a correre in cerchio, sparare a tutto quello che si muove, lanciare delle granate, sparare con i bazooka, guidare carri armati, pilotare elicotteri, dividersi, fare ciò che vogliono e morire. Non lasciare soffrire i soldati feriti a morte. Prendi un'arma e fai una buona azione: uccidili!
