AMIGA

An exceptional 1-2 player Martial Arts game featuring stunning graphics with an amazing variety of oriental backdrops, sound effects and full player participation.

Learn the complex art of Kung Fu in the Temples of Shaolin in intensive training lessons that require your total commitment, hard work and dedication.

Only when you have acquired the necessary skills, strength and stamina can you defeat your opponents in combat.

But is this enough? You must then test your skills in the unknown Ultimate Challenge. This is not a matter of survival. Nothing less than **TOTAL VICTORY** will suffice to allow you to complete **CHAMBERS OF SHAOLIN**.

Are you good enough?
