SIERRA

CREATOR OF THE POLICE QUEST® SERIES

RESCUE MISSION, OR ACT OF WAR?

From Jim Walls, designer of two of the most exciting and realistic graphic adventure games ever written, comes a story as chillingly authentic as tomorrow's headlines.

Action and intrigue combine with the latest in simulation technology to create a thrilling adventure. The scenario: a kidnapped U.S. ambassador and the only man who can save him -- Code name: **Iceman**.

Oil shortages, international politics and radical terrorists form the backdrop for a powerful story of world crisis, superpower conflict and high tech escapades.

- Use authentic Naval intelligence charts to pilot a nuclear submarine into enemy territory in a race against time.
- Sierra's 3-D Adventure Game Format, enhanced graphics and sound capabilities add to your gaming enjoyment.
- Exciting original soundtrack and realistic sound effects bring new life to your gaming experience.
- Contains a realistic submarine simulator -- the newest in simulation technology for a new kind of computer entertainment.
