## THE FIGHTING MACHINE

by Raffaele Cecco and Nick Jones.

**AMIGA A500, A1000 & A2000  
Series Computers**

Grab the controls of Cybernoid – The Fighting Machine – and destroy the squadrons of pirate craft. Upgrade your Cybernoid from a humble space battle fighter to a spectacular Fighting Machine. Blast your way forward firing bounce bombs and impact mines annihilating all in your path with your invincible CyberMace.

An orgy of video destruction from Raffaele Cecco and Nick Jones.
