Sealed inside this ENCHANTER package are your ENCHANTER disk, Gustar Woomax's critically acclaimed *Brief History of Magic* and an ancient scroll containing such wisdom and guidance as we can provide.

In ENCHANTER, the first of a spellbinding series in the tradition of ZORK,<sup>®</sup> you are a novice magician whom Fate has chosen to do singlehanded combat with a dark and fierce power. But worldly weapons will avail you naught, for your foe is the Evil Warlock who holds sway over the land.

To defeat him, you will have to match your skills as a necromancer against his, casting spells you have learned from your masters in the Circle of Enchanters and other incantations you will acquire as you proceed on your quest.

If you succeed, you will be elevated to a seat in the illustrious Circle; if you fail, your land will be doomed to an eternity of darkness.

**GET INSIDE A STORY.  
GET ONE FROM INFOCOM!**

It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover yourself at the center of a world jam-packed with surprising twists, unique characters and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill.

**Junior:** Best introduction to interactive fiction. Written for everyone from age 9 up.

**Standard:** Good introductory level for adults. This is Infocom's most popular level of interactive fiction.

**Advanced:** A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.
