# THE EXECUTIONER

The Executioner is a new concept in quality arcade games—a unique combination of gorgeous, tense arcade action and mind-stretching strategic quest!

Fly from planet to planet, collecting parts of an electronic key; take prisoners from destroyed enemy craft— and either sell them to buy extra weapons and fuel... or torture them for clues! At each planet pilot your craft against gravity, through swamps, dungeons, caves, cities, and worse, in your search for bounty.

Features include:

- Superb quality full-screen 32 colour graphics
- Huge galaxy of beautiful planets
- Truly massive game—includes SAVE facility
- Torture/sell prisoners

Well stocked weapons shop!

Federation computer—complete with spies and entertainment mode!

5 pieces of atmospheric music + FX!  
Hugely addictive, unusual gameplay
