SPOTLIGHT ON ADVENTURE

"...scores very high in gameplay..." — *Format Magazine*

"...truly brilliant solid 3D graphics..." — *Format Magazine*

"...A FIVE STAR GAME." — *New Computer Express Magazine*

Scan millions of planets to pinpoint your destination.

Examine potential profits on each planet.

Call out repair droids to repair your ship.

FEDERATION™

A STRATEGIC SPACE TRADING AND COMBAT ADVENTURE

Discover over 8 million planets on an epic adventure of conquest and trade—you've just been recruited to the Federation of Free Traders (FOFT)! Encounter hostile aliens, ruthless space pirates, and many surprises on your perilous voyages. Use your meager earnings to purchase enhancements (weapons, shields, etc.) for your ship. Wheel and deal on the planets you visit, using your entrepreneurial skills to amass the greatest profits possible.

A STARSHIP FLIGHT SIMULATOR Experience the exhilaration of interstellar exploration in a starship equipped with sophisticated flight controls, weapons, and communications systems. Dock with space stations and touch down on alien planets using the ship's guidance system. Interface with your EDI Series 4 computer and communicate with other ships!

CLIMB THE INTERSTELLAR LADDER TO SUCCESS Learn the tricks of the trade to rapidly advance in the ranks. Confront increasingly dangerous

missions, with the chance to earn the highest rank possible—Admiral of the Federation. However, there can be only one Admiral, and the last three Wing Commanders who challenged for the position suddenly disappeared.

Do you have what it takes to become the top dog in the Federation? Find out as you take an electrifying journey where time is endless, the universe boundless, and the dangers innumerable.

- One of the largest game universes ever created, with 32,768 galaxies and over 8 million planets to explore.
- A unique blend of flight simulation, tactical combat and entrepreneurship in a complete adventure game.
- 15 increasingly difficult missions involving investigations, evacuations, interceptions and destructions.
- Smooth moving solid 3-D graphics.
- Includes a Free Trader's Flight and Training Manual, a Quick-key control guide, military ship identification poster and much more.

Learn to recognize your enemies.
