Thanks to the people who let us use their castle and wish to remain anonymous.

Phillip approaches the entrance to the Ogre's cave. Dare he enter?

A short tunnel through the hill leads to a new and unexplored wilderness.

There are numerous caves  
in the forest, but only one  
leads to the Witches Castle  
...could this be it?

"You'll have to do better  
than that!" exclaims the  
armored figure.

Phillip tests his fighting skill  
against the Dream Knight  
who guards an ancient  
castle.
