BOMBER

For those who have taken on the original challenges in Fighter Bomber, there are now sixteen more exciting and demanding missions with new enemies and tougher artillery.

...A secret meeting of terrorist leaders is taking place aboard a submarine surrounded by heavy SAM defences – with quick wits and sharp reactions you must wipe out the enemy and destroy the whole flotilla without rearming or refueling...

...A civil airport is surrounded by enemy tanks, APCs and troops, with enemy reinforcements approaching from the North. It is likely to be over-run shortly unless swift action is taken. But with only one load of weapons will you be up to it?

Special features:

- Extra stunning graphics – submarines, radar towers, parked jets, windmills, trucks, mobile SAM launchers.

- This one mission disc doubles the enjoyment and thrill of the original Fighter Bomber
