FIRST SAMURAI

In Vivid Image's stunning new development, a young warrior seeks vengeance in a future far beyond his own.

In ancient Japan he saw his people and his master slaughtered by the Demon King. Swearing revenge, the young warrior invoked the power of the Wizard Mage and followed the Demon King across time and space.

Now, in 2323AD, the young warrior finds his country ravaged by the Demon King's hordes. Armed with the extensive teachings of his master and the Wizard Mage's mystical sword, he has embarked upon a bloody one-man crusade from which there is no turning back.

Death and dishonour is no consolation for failure. But he will not fail, for he is the...
