WATER-CARRIERS FROM MARS

## HOLY WATER!

THE PLANET MARS IS RUNNING OUT OF WATER - AND ONLY YOU CAN SAVE IT. In a last ditch attempt to save the drought-stricken Red Planet, its two top agents, FLIP-IT & MAGNOSE, have been sent to Earth. Now all the pair of inept extra-terrestrials have to do is to collect enough water to save the planet, and transport it back to Mars.

Sounds simple? DON'T YOU BELIEVE IT!

Join FLIP-IT & MAGNOSE on their quest for water on Earth through six exciting levels of simultaneous split-screen arcade action for one or two players. Battle through the jungle, tower blocks and even a space station as you race against time - and your partner - to save the planet. Only one player can return as champion of Mars. Will it be you?
