Future Wars™

ADVENTURES IN TIME

**He Resides In The Present... He Has Lived In The Past...
And He Must Travel Into The Future...**

There, he will come face-to-face with the ultimate threat to mankind ... alien beings, with a power great enough to spin a web of deceit and treachery that spans the centuries.

Mankind's future depends upon your abilities to crisscross through time, solve intriguing puzzles, successfully combat a wide assortment of mutant monsters and alien storm troopers, and still have time to perform a miraculous rescue or two.

So, step into the time machine and experience the adventures of several lifetimes.
