Ninja 3 is here and ready to explode onto your screen with the most glorious display of graphics and animated fight sequences ever seen in this type of game.

With a massive introduction sequence, incredibly detailed '3D' background graphics and a more than generous helping of all-out action, Ninja 3 displays a degree of excellence never before experienced by even the most seasoned Ninja fan. Ninja 3 - A game of epic proportions.

Feel the realism, allow yourself to witness the magical world of Ninjitsu spiritualism, experience the mystical atmosphere of the Tibetan Temples. Remember, always remain in control of your stealth and cunning as you do battle once again with the most treacherous purveyor of evil, Kuntoki.

Actual Amiga Screens

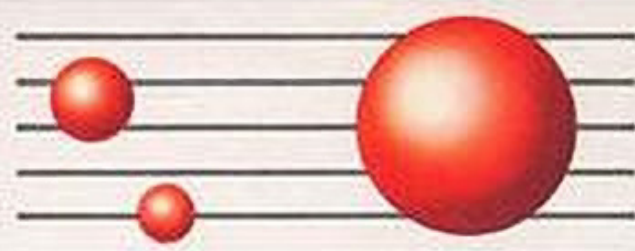

ZERO "It's got everything... big areas that need mapping, objects to pick up and brain teasers to get your head around... what makes it all the more enjoyable is - some superb graphics."

CU AMIGA "Execution, graphics and sound are all impressive... it's excellent."

AMIGA ACTION "The game itself looks and feels like a true 16-bit product. Be you a beat'em-up fan or an arcade-adventurer make sure you get Ninja 3."
