Location : **Throne Room.**
Puzzle : **King Mitre & the 82 Degree Angle.**

To obtain a 82 Degree Angle from King Mitre you must first get hold of a jar of untangling cream and the "T" removing machine. Once you have both of these, use machine to remove the "T" from the Untangling cream, so turning it onto unangling cream. Then just rub the cream on the princess.

Location : **Yet Another Ruin.**
Puzzle : **Kissing the Frog.**

Close your eyes, put the clothes pin on your nose, put the lip balm on your lips, drop everything, cover your ears with your hands and then kiss the frog.

General Questions

How do I read the coded message found Among the Dunes.

The message is written backwards and is displaced three places to the right.

How do I decode the matrix on the scrap of paper?

The eight items listed in the matchbook can also be found within this matrix. If you mark them all off and then read the remaining letters, (from the top left corner) then you will be able to read the secret message.

How can I get through the Ion Beam without it killing me?

Let the barge drift down the canal for about 30 to 40 games turns, then climb down the well in the Oriental Garden.

How do I get back to the exit shop?

Go to the Royal Dock, and use the raft to travel down the canal. When you reach Donald Dock (the second one) grab hold of it.

How do I get back from Cleveland?

Move the Sod in the Garden.
