## Golf simulation so realistic, you'll think you're there!

It's a beautiful spring day as you prepare to tee off. You gaze down the fairway and notice every detail of your surroundings... the location of each tree... the contour of each hill and slope... the lie of the ball. A day at your favorite course? Not quite, but it's the next best thing. *LINKS The Challenge of Golf* is a totally realistic golf simulator for your Amiga that is a quantum leap ahead of any computer golf game that you've ever seen!

### LINKS features include:

- Stunning HAM mode graphics
- Incredible 3-D contoured terrain
- Accurate physics of the flight and impact of the golf ball
- Actual digitized trees & buildings
- Three levels of game play Pro, Amateur & Beginner
- Adjustable golfer's stance and swing plane
- All the sounds of true golf ... from commentary and wildlife to the sound of your swing

## Here's what the reviewers are saying about LINKS...

**PC Magazine** – "...LINKS, the most authentic simulation of them all."

**GOLF World** – "LINKS graphics [are] far superior to any other computer golf game. LINKS' trees look like trees."

**COMPUTE** – "LINKS is a golfer's dream, a chance to play what feels like real golf without ever having to leave home."

**COMPUTER GAMING WORLD** – "...LINKS is unequalled by other golf simulators currently on the market."

*LINKS* has won **COMPUTER GAMING WORLD's** Best Action Game of the Year Award for 1991 as well as **SPA's** Best Sports Simulator in 1990.

## Play Championship Golf Courses on your Amiga

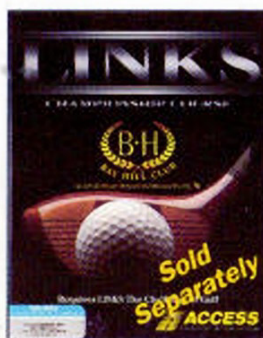

The lifeblood of any great golf simulator is the variety of courses you can play. *LINKS* is rich with authentic re-creations of golf's most challenging and beautiful championship courses. Let *LINKS* and your Amiga take you to golf courses you've only dreamed of playing! *LINKS Championship Courses* are sold separately and require *LINKS The Challenge of Golf*. Championship Courses will be released every other month.
