Long ago when dragons ruled the twilight sky came the age of the Great Guilds... each of them dedicated to the absolute control of secret knowledge.

One such Guild was the Weavers. Over the centuries, their craft transcended the limits of physical cloth, leaving them able to weave the very fabric of life itself..

Suddenly a strange power swept the Weavers into oblivion, leaving only a boy to unravel the mystery! Help young Bobbin to rescue his Guild.

- Stunning, high resolution 3D landscapes.
- Sophisticated musical score and sound effects.
- Point 'n' click controls.

"Loom is a brilliant and original game that just oozes Lucasfilm's talent for presentation and innovation" **Amiga Action**

"Loom is an extremely clever game... you won't want to leave it alone" **C&VG (PC)**

"Loom is definitely an eye-catching game. The smooth scrolling cartoon-like graphics and the cinematic opening sequences are absolutely mind-blowing" **ST Format**

"Loom is a highly enjoyable package and has great gameplay" **Amiga Format**
