The cover art for the Amiga game 'Lords of Chaos' features a central figure in a black hooded robe with a red hood, holding a glowing sword in his right hand and a glowing orb in his left. Behind him are several menacing creatures: a dragon's head in the top left, a large insect-like creature in the top right, a skull with glowing eyes in the middle left, and a bearded man in a helmet in the middle right. The background is a dark, swirling vortex. The entire scene is framed by a jagged, multi-colored border in shades of red, orange, and green.
