THE LOST VIKINGS™

They just want to go home!

It's just another ordinary day of Nordic exploring and pillaging when Erik the Red™, Bjorg the Fair™ and Olaf the Good™ are suddenly sucked into another universe. And only you can help them find their way home. But each universe that you help them through shows them one different area of time—and smack into two universes!

Will Erik conquer Olaf, the Master of all Nations?

Will Olaf steal himself from the endless mountains to the Great Pyramid of Egypt?

And can Erik return the Master of Space to the Great Pyramid?

Heck! Only you can get your plundering pals out of the grasp of their alien captives and home through the chaotic universe zones.

- Prepare for hours of adventures for with hundreds of mind-blowing puzzles to play and conquer!
- Just through-out: 3 rigs racing levels.
- Beat your way into different worlds, including Persepolis, Egypt, The Great Pyramid, Wacky World and more.
- Feel the power rush as you control the unique, radical powers of all three Vikings.
- Each Viking has his own definite attitude, was Persepolis master Erik the Red, holy Grail Olaf the Good, and the unyielding warrior Bjorg the Fair—can you tell as they talk to each other in cryptic old Norse/captain?
- An infectious musical score with an incredible beat.
