

## **ADDITIONAL FEATURES ON FORMULA ONE GRAND PRIX**

The simulation has several new features that do not appear in the original documentation. Please open the "Read.Me" file found in Disk 4 for more details.

### **Reading the "Read.Me" file.**

Load Workbench as normal and insert Formula One Grand Prix Disk 4. You will see an icon labelled "f1gp\_disk 4". Double click on this icon and you will see the "Read.Me" icon. Point to the icon and double-click once again. This will open the file. Press the spacebar to advance the text.
