Might and Magic III

Isles of Terra

Feel the Power. Experience the Magic.

Lead a party of hand-picked adventurers to a rendezvous with the legendary wizard Corak. From dark, moldy dungeons, through corridors of hewn stone and timber, and onward to the lofty frozen peaks of Terra you will uncover the mysteries that surround the exotic islands in the Great Sea. Bizarre and intriguing creatures will challenge you along the way and in the many towns and castles that dot your path. Terra awaits you...prepare to be charmed by its magic and tested by its mighty power.
