OVER THE NET!

TOURNAMENT ACTION BEACH VOLLEYBALL

It's Your Serve

Now you can play pro circuit volleyball year 'round with *Over The Net*, the exciting new tournament beach volleyball game from Merit Software. This European-designed program lets you slam, dig, set, spike, and hit with arcade action so realistic you'll be able to feel the hot sand under your feet. Sound effects and excellent soundtracks bring an added dimension to the game on your computer screen.

Action-packed **OVER THE NET** is designed to sharpen your competitive edge. One or two players can play from one to five sets in a single session. Choose from five exotic beach courts, from Rimini to Miami to Ibiza – each designed to test a different level of your skill. So what are you waiting for? It's your serve.
